make your mark as a successful author in the ever growing world of independent publishing [EPublishing with InDesign CS6](#) Pariah S. Burke, 2012-12-03 Here's the designer's guide to creating excellent e books with InDesign Creative professionals are designing more and more e books and e zines as digital publishing increasingly gains market share. This book pulls together a wide range of essential information to help them maximize the versatility of InDesign for e publishing. If you need to know how to build, deploy and manage digital publications using InDesign, here's your guide to the process from understanding the platforms and devices and how best to design for them to creating media rich content for multiple formats using a variety of technologies. Designers are seeking to sharpen their skills to compete in today's e publishing market and this book is packed with necessary information about creating and adapting content for e publication. Explains how to plan a new digital publication, convert a print publication to digital, add multimedia and interactivity and publish and distribute the finished product. Covers platforms, devices and formats, creating media rich content, designing for different devices and managing digital publications. Examines Adobe's Digital Publishing System, CSS, HTML5 and other commercial vehicles available for e publishing on multiple platforms including iPad, Kindle, NOOK and other tablets and e readers. ePublishing with InDesign is a valuable tool for designers seeking to boost their skills and create cutting edge e publications. [Build a Bulletproof Ebook](#) Ray Cleghorn, 2014-12-12 Build a Bulletproof EBook is a straight to the point, factual guide that takes you from manuscript to publication with no detours. This no frills guide doesn't mess around but takes you from A to Z showing you how to build a bulletproof ebook and publish it online with Amazon, Barnes and Nobel and other publishers or any website. PHOTO ILLUSTRATED Build a Bulletproof Ebook is a complete How to step by step guide that shows you from beginning to end exactly how to get your work in order and published on the internet. The detailed instructions coupled with photo illustrations explain how to prepare your manuscript properly and walks you through the complete process including uploading and publishing on Amazon, Barnes and Noble and others. One feature of this manual that is seldom if ever found in other ebook help publications is the inclusion of an ebook template that you may use again and again to ensure a stable and reliable book every time you publish. Another helpful component of this manual is the section on designing and creating a cover for your book should you desire to do that yourself. The cover section is designed to use free graphic design software readily available on the internet as well as the more professional software that you may already own. Using the information in this ebook you can display your own book, article, photos, teachings, recipes, etc. and make it available for download on the internet. It is now easy and inexpensive when you have the know how that is available in this new How To book. An additional benefit is that all of the instruction can be utilized using both free and commercial editors and software programs. For less than the price of a hamburger and coke you can quickly have your manuscript in the proper configuration converted to any ebook format you desire and published on line. No need to learn computer code or to buy expensive software. The only cost to you should be the price of this guide and a little time putting it into practice. Building a quality ebook has never been easier.
