The Cookbook Library Anne Willan, Mark Cherniavsky, 2012-03-03 This gorgeously illustrated volume began as notes on the collection of cookbooks and culinary images gathered by renowned cookbook author Anne Willan and her husband Mark Cherniavsky. From the spiced sauces of medieval times to the massive roasts and ragoûts of Louis XIV's court to elegant eighteenth century chilled desserts, *The Cookbook Library* draws from renowned cookbook author Anne Willan's and her husband Mark Cherniavsky's antiquarian cookbook library to guide readers through four centuries of European and early American cuisine. As the authors taste their way through the centuries, describing how each cookbook reflects its time, Willan illuminates culinary crosscurrents among the cuisines of England, France, Italy, Germany, and Spain. A deeply personal labor of love, *The Cookbook Library* traces the history of the recipe and includes some of their favorites.

Gilded Age Christmas Cookbook Becky Libourel Diamond, 2025-09-02 Although most Americans have heard of sugar plums thanks to the famous holiday poem *A Visit from St. Nicholas* by Clement Clarke Moore, many have likely never have had the pleasure of tasting one of these luxuries or even know what they really are. Hint: they are not sugar-dusted plums. This is because sugar plums are one of the Gilded Age era holiday sweets that got eclipsed as America moved into the twentieth century. But *The Gilded Age Christmas Cookbook* will bridge the past and present, bringing back sugar plums and other confections not typically found in modern cookbooks while revisiting some beloved favorites. With origins that date back to the nineteenth century and even earlier, the recipes in *The Gilded Age Christmas Cookbook* have been adapted for today's ingredients and appliances, allowing cooks to recreate them in their own modern kitchens. Each recipe will provide a colorful glimpse into the era, featuring the fascinating history behind each cookie, its ingredients and baking methods. There will also be sidebars throughout offering tidbits of Christmas lore of the era. A perfect gift to bring sparkle to the holiday season for anyone who enjoys food history, culture, and Christmas traditions. *The Gilded Age Christmas Cookbook* is a unique way to revitalize any baker's holiday repertoire while looking to past foodways for inspiration. With all the opulence and enchanting allure of the Victorian period, this nostalgic book is chock full of delicious holiday treats.

The Joy of Eating Jane K. Glenn, 2021-11-05 This volume explores our cultural celebration of food, blending lobster festivals, politicians' roadside eats, reality show chef showdowns, and gravity-defying cakes into a deeper exploration of why people find so much joy in eating. In 1961, Julia Child introduced the American public to an entirely new joy-infused approach to cooking and eating food. In doing so, she set in motion a food renaissance that is still in full bloom today. Over the last six decades, food has become an increasingly more diverse, prominent, and joyful point of cultural interest. *The Joy of Eating* discusses in detail the current golden age of food in contemporary American popular culture. Entries explore the proliferation of food-themed television shows, documentaries, and networks; the booming popularity of celebrity chefs; unusual, exotic, decadent, creative, and even mundane food trends; and cultural celebrations of food such as in festivals and music. The volume provides depth and academic gravity by tying each entry into

broader themes and larger contexts in relation to a food themed reality show for example discussing the show's popularity in direct relation to a significant economic event providing a brief history behind popular foods and types of cuisines and tracing the evolution of our understanding of diet and nutrition among other explications *How to Lose Weight for the Last Time* Katrina Ubell, 2022-09-20 The missing piece to the most sought after health goal How to Lose Weight for the Last Time offers brain based solutions for dropping pounds and keeping them off without suffering or sacrifice As a pediatrician Katrina Ubell MD always struggled with her weight she was either 40 pounds overweight or struggling to lose that weight Although she'd regularly counsel parents on the importance of keeping their kids healthy and fostering good eating habits Dr Ubell as a busy professional was never able to do the same for herself Like everyone else she tried many different diets and programs but would always regain the weight In 2015 Dr Ubell cracked the code for making weight loss permanent and developed a program targeted at busy physicians like herself who often de prioritize their own wellness As a weight loss coach Dr Ubell has helped over 1 000 busy physicians and professionals find and stay at a healthy weight with her brain based program and is now ready to bring this program to the general public Dr Ubell's program doesn't involve any unrealistic diets plans special foods supplements or even rigorous exercise protocols instead she uses a deep understanding of the brain and behavior patterns to get results Through her work she has been able to uncover and speak into the universal obstacles that stand in our way of losing and keeping off weight *The American Cookbook* Carol Fisher, 2006-02-27 This book serves up the American cookbook as a tasty sampler of history geography and culture revealing the influence of political events e.g. wartime rationing social movements temperance and technological change new packaging and cooking methods Provided by publisher *Duck For Cover & Other Tales* Barbara Venkataraman, 2022-08-17 Fourteen short stories with a twist Duck for Cover Other Tales is filled with surprises The Yes Man is about a woman who looks after her elderly father with dementia only to discover he still has life lessons to teach her Living My Best Life tells the story of an aging rock star who finds his legacy lives on in a way he hadn't imagined Thicker Than Blood is about the dilemmas caused by modern technology when a trio of siblings is asked to make the hardest decision of their lives The Devil's Workshop is the story of a young man being scared straight from a life of delinquency by a clever probation officer and an ex con Topical relatable and just plain fun these and many other stories in this collection deal with friendship kinship and the complexities of the modern world and are sure to leave you with a smile *The Booklist and Subscription Books Bulletin*, 1966 *Youth's Companion*, 1903 **ASP.NET Developer's Cookbook** Steven A.
