Year One

Phonics Screening Check

What is phonics?

Phonics is the study of the sounds of words and how they are written. It is the study of the relationship between the sounds of words and the letters that represent them.

Phonics is an important part of learning to read and write. It helps children to understand how words are made and how they are written. This helps them to read and write more easily.

How is phonics taught?

Phonics is taught in a variety of ways. Some children learn to read by looking at the letters and sounds of words. Others learn by listening to the sounds of words and trying to write them. Some children learn by using a combination of these methods.

Phonics is taught in a way that is suitable for each child. Teachers will use a variety of methods to help children learn to read and write. Some children may need more help than others, but all children will learn to read and write.

What is the phonics screening check?

The phonics screening check is a test that is given to all children in Year One. It is a test of their phonics skills. It is a test of their ability to hear and write the sounds of words. It is a test of their ability to read and write words that they have not seen before.

What is the purpose of the phonics screening check?

The purpose of the phonics screening check is to find out how well children understand the sounds of words. It is a test of their phonics skills. It is a test of their ability to hear and write the sounds of words. It is a test of their ability to read and write words that they have not seen before.

What is the result of the phonics screening check?

The result of the phonics screening check is a score. The score is a number from 1 to 20. The score shows how well the child has done. A score of 10 or more is a good result. A score of 10 or more means that the child has a good understanding of the sounds of words. A score of 10 or more means that the child is ready to learn to read and write.
