

# 300 creative writing prompts for kids

Imagine a giant box is delivered to your front doorstep with your name on it. What's inside and what happens when you open it?

Write a short story about what it might be like if you woke up one morning with a mermaid tail.

Write about what would it be like if you had an alligator as a pet.

If you were in charge of the whole world, what would you do to make the world a happier place?

Imagine that dogs take over the world. What do they make the humans do?

Write about 3 places you would like to travel someday. What do these three places have in common?

Write a poem that starts with the word "I".

How do you feel when someone takes something of yours without asking? What is a good way to deal with it when that happens?

Imagine you walk out your front door one morning and it is raining popcorn! What do you do?

### *School-Based Interventions for Students with Behavior*

**Problems** Julie Bowen,William R. Jenson,Elaine Clark,2003-12-31 Although there are several books published on behavioral problems this is the first book that provides a variety of proven classroom strategies in a step by step format that educators can implement and incorporate into their classroom routine and curriculum A helpful reference and instructional guide of over 100 interventions for managing and reducing behavior and learning problems in children and adolescents Each intervention is written in an easy to follow format which includes the targeted behavior age group goal materials needed implementation steps and troubleshooting ideas

### **Ld Strategies for Middle School** Sharon Connolly,2010-12-20

This compendium of language arts research articles was structured in the typical format of an actual research study The purpose is clearly stated in each article and the rationale from recent research is briefly summarized The majority of studies were about teaching reading skills such as phonological awareness phonics decoding fluency and comprehension The other studies concerned writing spelling and technologies used with reading and writing This book would be useful for teachers needing to

increase their teaching strategies for middle school students with LD and for students studying or doing actual research to familiarize themselves with the skeletal parts of a research paper *Writing Strategies for All Primary Students* Janet C.
