Detention in the European Union Izabella Majcher,Michael Flynn,Mariette Grange,2020-03-04 This book offers a unique comparative assessment of the evolution of immigration detention systems in European Union member states since the onset of the refugee crisis By applying an analytical framework premised on international human rights law in assessing domestic detention regimes the book reveals the extent to which EU legislation has led to the adoption of laws and practices that may disregard fundamental rights and standards While emphasizing policies and laws adopted in response to the refugee crisis the volume also shows how these policies have evolved and in many cases grown more restrictive even as the crisis has begun to recede from the borders of many European countries To sharpen awareness of contrasting developments across the region the book s country chapters are organised into geographic sections that reveal how variations in migration pressures

have in some cases resulted in contrasting detention practices even as the EU directives have sought to harmonise immigration laws A critical focus of the book are the evolving domestic norms related to grounds for detention length of detention non custodial alternatives to detention the treatment of children and conditions of detention With its systematic and comparative assessment of immigration detention regimes across the EU the book will be helpful for both academics and practitioners who seek a comprehensive guide to the evolution of one of today s more important human rights dilemmas states efforts to control global migration **AB Bookman's Weekly** ,1999 **Twisted** Jo Gibson,2014-07-01 From master of suspense Jo Gibson comes three novels of year round terror where the holidays are more than a little nerve wracking They re totally twisted My Bloody Valentine It s Valentine s Day and everyone at Hamilton High is excited about the big dance Six girls are competing to be Queen of Hearts Unfortunately someone is taking aim at the contestants and it s not Cupid Unless Cupid is a deranged killer with a sharp knife and a deadly message Be mine or else The S ance There s nothing like a killer party on Halloween especially when it s in a secluded lodge in the woods But when Jennifer Larkin s friends insist on holding a seance in spite of the warnings of a local psychic it s anything but a game For the spirits are vengeful The partiers are prisoners And no one gets out of here alive Slay Bells The new Crossroads Mall is the place to shop this Christmas So when a snowstorm traps Diana Connelly and her friends inside they don t even mind staying the night Until the accidents start to happen And Diana s friends begin to die One by one Naughty or nice Tis the season to be murdered *Serial Publications in the University of Iowa Libraries* University of Iowa.
