Catching Jordan Movie:

Catching Jordan Miranda Kenneally, 2011-12-01 Miranda Kenneally's first book in the beloved sports romance Hundred Oaks series Love is the toughest game to play Athletic superstar Jordan Woods is the captain and quarterback of her high school football team Her teammates including her best friend Sam all see her as their leader and one of the guys and that's just fine As long as she gets her athletic scholarship to a powerhouse university But everything she's ever worked for is threatened when Ty Green moves to her school Not only is he an amazing QB but he's also amazingly cute Meanwhile Sam is her rock he supports Jordan's dreams even when her traditional dad doesn't but suddenly things feel different between them For the first time Jordan's feeling vulnerable Can she keep her head in the game while her heart's on the line Catching Jordan is the high school football romance to sweep your heart away Other teen romance books by Miranda Kenneally Stealing Parker Things I Can't Forget Racing Savannah Breathe Annie Breathe Jesse's Girl Defending Taylor Coming Up for Air Four Days of You and Me

Dear Teen Me E. Kristin Anderson, Miranda Kenneally, 2019-08-01 Dear Teen Me includes advice from over 70 YA authors including Lauren Oliver Ellen Hopkins and Nancy Holder to name a few to their teenage selves The letters cover a wide range of topics including physical abuse body issues bullying friendship love and enough insecurities to fill an auditorium So pick a page and find out which of your favorite authors had a really bad first kiss Who found true love at 18 Who wishes he'd had more fun in high school instead of studying so hard Some authors write diary entries some write letters and a few graphic novelists turn their stories into visual art And whether you hang out with the theater kids the band geeks the bad boys the loners the class presidents the delinquents the jocks or the nerds you'll find friends and a lot of familiar faces in these pages

Him Roxanne Hart, 2022-02-24 This is not your average romance novel nor is it a fairy tale as today's world would have you believe it It is instead the story of two people both from very different lives who come together by happenstance and the resulting consequences of their choices It is a reminder that fairy tales have their roots in cautionary tales Anna meets Jordan and they are both changed forever They come to each other with their own sets of issues and baggage and try to make all of the puzzle pieces fit While their love story began as most do full of passion and excitement the chasm between their very different worlds is always right there threatening to open up beneath them and swallow them whole
