## **Pinterest Reading Challenge Paperback:**

*The Quick-Start Library Guide* Kelly Mayfield, Amy O. Milstead, 2025-09-04 Helps paraprofessionals and new school librarians begin their first school year with confidence. New librarians and paraprofessionals often come to school library positions with little or no experience in library work and there's a gap in instructional information available for those who want to quickly increase their skill level. This book helps professionals and paraprofessionals learn what they need to know to get started as well as pointing them to additional resources in areas where they might want more advanced information. This practical guide teaches librarians and paraprofessionals to develop systems and create plans for programs and partnerships with teachers and other professionals to set them up for success during their first year in the library. A timeline helps map out the rhythm of a school year. The Quick Start Library Guide introduces paraprofessionals to library science topics such as cataloging, collection development, and weeding. It covers topics specific to the school library such as reading levels, book fairs, and author visits. Each section includes suggested resources for more in-depth learning. Librarians and paraprofessionals will be able to use this valuable, straightforward guide to hit the ground running in their new role.

### **Masculinities in**

**Post-Millennial Popular Romance** Eirini Arvanitaki, 2022-05-12 This book focuses on the projection of the hero's masculinity in a selection of post-millennial popular romance narratives and attempts to discover if and to what extent this projection reinforces or challenges patriarchal ideas about gender. In the majority of these narratives, the hero is often presented as a hegemonic alpha male. However, hegemonic masculinity is not a fixed concept. Rather, it is subject to continuous change, which allows for the emergence of various dominant masculinities. Under a poststructuralist lens and through a close textual analysis approach and a gender reading of romance narratives, the book suggests that to a certain extent the romance hero could be described as a platform onto which different forms of dominant masculinity are displayed and highlights that these masculinities do not necessarily clash, depend on or function as a prerequisite for each other.

**The Exodus Evidence in Pictures, the Bible's Exodus** Paul Backholer, 2018-01-19 Experience a photographic search for the Bible's exodus with 60 colour photos. Join two authors and television broadcasters on their four year quest to investigate the mystery of the Hebrew exodus out of Egypt. Has archaeology provided us with any data to indicate that Joseph, Moses and ancient Israel were in Egypt? What was the Red Sea? Where was the exodus route and can Mount Sinai be found today? These are the questions that must be answered in this exciting photographic expedition in Egypt. Witness in full colour pictures scenes of Semitic people with multi-coloured coats entering ancient Egypt, find Semitic settlements in the Bible's land of Goshen and discover how archaeological finds combined with new computer technology can help reveal the face of Joseph and the exodus pharaoh. See photos of ancient slaves making bricks, discover how lost cities were found, plus enter the tombs and the temples of pharaohs. Hunt with our explorers as they search for the Red Sea, trace the possible exodus routes and watch as they examine the first reference to ancient Israel found outside of the Bible. 2020 edition.
