Breckenridge Ellis, 2022-08-10 The nurse was speaking of little Mattie Myers who lived in the old Kentucky town of Stanford The child was seldom to be seen engaged in those sports natural to children She was grave quiet thoughtful Her one amusement was found in her family of dolls she was always their teacher and they were daily going to school to her For companions she chose those who were much older than herself and she would sit by the hour soberly listening to theological discussion weighing in her infant mind the arguments of learned men Her mother was dead

but Mattie could recall her sympathetic touch and tender smile It seemed to her that out of the shadow of death her life had emerged to be clouded by new losses One after the other her two sisters were taken from her Then the brother who was her only intimate companion went to another town to teach school Mattie found herself the only young person in the large house of her wealthy father Of course she received all care her slightest wishes were granted the love of her widowed father was doubly hers because of his bereavements But the little girl was very lonely When the flowers sent forth their perfume on the warm Kentucky breezes she was reminded of three graves and when the sunshine gilded the level pike leading toward Lancaster she felt as if her brother Joe were calling her to come and nestle against his loving breast **The American**

Pulpit ... ,1906 The Great Bear Lester Cohen,1927 Current Religious Thought ,1902 **Murder By Suicide** Joe Nance,2003-09 Take a poetic journey with author Joe Nance as he struggles to live life on life s terms The journey begins with a descent into insanity that leads to the brink of suicide At the last moment God s intervention saves the author and brings him to a realization that there is hope in continuing to live Anger self hatred self pity and regret are ever present but with God s help and interaction with other people he begins the journey back to life If Murder by Suicide can help just one other person realize that hope is not lost that life can change then the writing of the tale was worth all the pain tears and agony **Handbook of Reason** Dagobert D. Runes,2022-02-22 The eminent philosopher presents a summation of his views on an encyclopedic range of topics from abstract art to Zionism Culled from years of research and introspection the diverse observations discussed in Handbook of Reason by Dagobert D Runes are bound to stimulate challenge and at times force upon the reader a shock of recognition grounded in universal truths In a style that moves from the aphoristic to the metaphorical Runes offers countless gems of wisdom often irresistibly quotable and always profoundly moving A humanitarian theme evolved partly from personal tragedies permeates his lifelong search for a life of God the Spirit and the Giver Of God unbound and unencumbered By hate or prejudice A god to love by Deeds Not hollow hymns and vows
