successful completion of an EPC project Case studies of project execution detailing the methodology of execution elements of delay and potentialities of disputes in projects Conclusions drawn from the case studies of project execution Common clauses of delays in EPC projects Preparation of project Delay Reports Delay analyzing techniques in construction projects Delay in construction contracts A Legal View Construction dispute resolution as per Alternate Dispute Resolution mechanism Settlement of construction dispute through Negotiation Settlement of construction dispute through Mediation Settlement of construction dispute through Conciliation Settlement of construction dispute through Arbitration Indian Arbitration and Conciliation Amendment Act 2019 a reflection Claim in a construction project Need for evidence in construction arbitration Reviewed by Justice Dipak Mishra Former Chief Justice of India After reading the book I am tempted to say that though it focuses on a very prosaic subject yet there is something in it that makes it interesting for the readers And any reader can find that something only after studying the book It is a must read for the students practitioners and academicians involved in the field I so recommend as the author is consistently guided by the motto quality speaks for itself The author s intention is to assist and educate I have deliberately used both the words because I am of the view that this book should be read by some with the vision of an Argus eyed personality and some should study with humility The author deals with many facets with admirable precision One may consider his delineation with regard to the conception of delay He has commandedly adverted to Common Causes of delay in EPC Projects I am certain that anyone arguing a matter before a Tribunal or Court will be extremely benefitted The author s case study has its own impact and reaffirms the old saying Example is better than Precept He believes in the concept successful project execution is more than a written piece of contract This statement by Dr Saraswat deserves to be a quotation Reviewed by Justice B B Srikrishna Former Judge Supreme Court of India Dr S B Saraswat is a technocrat with extensive experience of four decades in public as well as private sector industries in India and abroad He was actively involved in successful execution of many large projects in Steel Power and Petroleum sectors His long experience in their execution has exposed him to various kinds of disputes faced as client and as contractor This book is the result of his rich experience of dispute resolution by arbitration in the construction industry and reflects his insights on aspects of delays disputes their resolution Apart from general discussion of the arbitral mechanics in such disputes the book focusses on the nature of construction contracts the likely pitfalls therein the force majeure clauses in such contracts project control and monitoring common causes of delay in EPC contracts delay analysis techniques techniques of ADR nature of claims their submission and the evidence required to substantiate the claims in light of the legal provisions of the Arbitration and Conciliation Act 1996 and other applicable laws Reviewed by Justice Deepak Verma Former Judge Supreme Court of India This book by Dr S B Saraswat encapsulates the following The problems of the construction sector and their impact has been analyzed in detail First it has been advised that disputes should be resolved mutually among stakeholders failing which mediation and conciliation should be adopted Procedures for the same have been described in the book It is a fact that large

construction projects in India are invariably delayed due to a variety of reasons This book contains all the possible reasons for the delay in the project Further the book also spells out an action plan to avoid such delays The book has handled the delay analysis through various delay techniques normally adopted as a standard practice Delay in the projects has been described in a comprehensible manner that can be easily understood by lawyers arbitrators and laymen working in the construction industry The book also analyses 10 ten case studies while attempting to cull out the necessary principles involved in the execution of the projects Preparation of claims has been dealt with in the book and explained with suitable examples Utility of evidences to substantiate the claims have been incorporated The book discusses ADR techniques like Negotiation Mediation Conciliation and Arbitration to resolve construction disputes Reviewed by Justice A K Sikri Former Judge Supreme Court of India Understanding the need to have some authentic book to guide and help all the stakeholders Dr S B Saraswat has laboured to produce the book at hand which specifically takes care of issues relating to construction arbitration The three major elements in this field as mentioned above viz delays in such projects nature of disputes and the resolution thereof through arbitration are the themes which are very deftly articulated and presented in a manner which can easily be absorbed by the readers A distinguished feature of the book is that the scope is not confined to use of ADR mechanisms for dispute resolution which includes mediation as well as arbitration but contains an in depth analysis into the causes leading to such disputes This becomes important to ensure Dispute Avoidance wherever possible In case of disputes the book acts as a helpful guide for the disputants in the manner in which claims should be preferred or the defences be offered It also guides the stakeholders the manner in which evidence needs to be organised or supporting the claims or defending the claims

Construction Contract Claims and Methods of Avoiding Contract Litigation Through Dispute Resolution Alternatives Joseph C. Lavigne,1993

The Top Books of the Year Construction Contract Claims Changes And Dispute Resolution The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Construction Contract Claims Changes And Dispute Resolution : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papan, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
