**Prequels, Coquels and Sequels in Contemporary Anglophone Fiction** Armelle Parey,2018-09-03 This book offers to delineate a key phenomenon in contemporary Anglophone fiction novel expansion when the plot and characters from a finished novel are retrieved to be developed in new adventures set before after or during the narrative time of the source text If autographic and allographic sequels are almost as old as literature prequels that imagine the anteriority of a narrative and coquels that develop secondary characters in the same story time as the source text are more recent The overall trend for novel expansion spread in the mid 1980s and 1990s and has since shown no sign of abating This volume is organised following three types of relationships to the source texts even if these occasionally combine to produce a more complex structure This book

comprises 11 essays preceded by an introduction that examine narrative strategies aesthetic ethical and political tendencies underlying these novel expansions Following the overview provided in the introduction the reader will find case studies of prequels coquels and sequels before a final chapter that encompasses them all and more Writing Great Books for Young Adults Regina L Brooks,2014-10-07 Break into the Bestselling Young Adult Market with this Indispensable Guide Whether you re just getting started or are on the hunt for an agent or publisher Writing Great Books for Young Adults is your complete insider source on how to succeed in the flourishing world of YA fiction and nonfiction In this updated and revised edition veteran literary agent ReginaL Brooks offers invaluable advice for YA writers on everything from shaping your novel to crafting the perfect pitch for your book Learn How To Develop an authentic engaging voice and writing style Construct dynamic plots that will resonate with readers Avoid common pitfalls related to tone and point of view Navigate the emerging genres of YA nonfiction and New Adult Create an exceptional query letter and proposal that will grab the attention of agents and publishers You ll also discover how successful film adaptations like Harry Potter and The Hunger Games have broadened the market for your book Filled with tips and advice from agents editors and popular YA authors Writing Great Books for Young Adults is your ticket to an incredible YA career Brooks offers writers who are serious about attracting teen readers solid guidance through the creation process of writing YA fiction Library Journal **Crossover Readers' Advisory** Jessica E.
