Schoolwide Action Research for Professional Learning Communities Karl H. Clauzet, Dale W. Lick, Carlene U. Murphy, 2008-05-15 Clearly shows the success that can occur when a staff learns together I highly recommend this book to aspiring and beginning principals as well as those with years of experience Paul Young Executive Director West After School Center Former President National Association of Elementary School Principals Foster schoolwide professional learning through a collaborative action research model Action research is a popular method for individual educators to examine their practices and grow in their profession In this how to guide readers will learn how Whole Faculty Study Groups WFSGs use action research to involve an entire school in advancing staff learning and school performance The WFSG model is a type of professional learning community PLC that catalyzes school change with schoolwide action research as a central component With over 20 years of experience the authors draw from hundreds of examples and case studies to describe how implementing WFSGs can help students teachers administrators and other staff members work collaboratively to improve teacher practice and student learning The authors empirical data and comprehensive approach help deepen educators understanding of how to use meaningful action research to strengthen teamwork and realize school reform Additionally readers will learn how The WFSG system compares with other approaches to action research The schoolwide action research process can be applied in a wide variety of school reform efforts Study groups can move from discussion to action Principals and district leaders can support schoolwide action research Discover the ways WFSGs can enhance student learning and result in real school improvement in this highly relevant must have guide *PLC+* Douglas Fisher, Nancy Frey, John Almarode, Karen Flories, Dave Nagel, 2019-05-16 What makes a powerful and results driven Professional Learning Community PLC The answer is collaborative work that expands the emphasis on student learning and leverages individual teacher efficacy into collective teacher efficacy PLC Better Decisions and Greater Impact by Design calls for strong and effective PLCs plus and that plus is YOU Until now the PLC movement has been focused almost exclusively on students and what they were or were not learning But keeping student learning at the forefront requires that we also recognize the vital role that you play in the equation of teaching and learning This means that PLCs must take on two additional challenges maximizing your individual expertise while harnessing the power of the collaborative expertise you can develop with your peers PLC is grounded in four cross cutting themes a focus on equity of access and opportunity high expectations for all students a commitment to building individual self efficacy and the collective efficacy of the professional learning community and effective team activation and facilitation to move from discussion to action The PLC framework supports educators in considering five essential questions as they work together to improve student learning Where are we going Where are we now How do we move learning forward What did we learn today Who benefited and who did not benefit The PLC framework leads educators to question practices as well as outcomes It broadens the focus on student learning to encompass

educational equity and teaching efficacy and in doing so it leads educators to plan and implement learning communities that maximize individual expertise while harnessing the power of collaborative efficacy **Teaching Literacy in Third Grade**
