CERTIFIED MAIL – RETURN RECEIPT REQUESTED

SUBJECT: Project Number SWF-2007-00209, NON-COMPLIANCE

Mr. John Reynolds, PLA
Sr. Project Coordinator
Dallas Park and Recreation Department
City of Dallas
1500 Marilla Street
Dallas, Texas 75201

Dear Mr. Reynolds:

Since 2011, your staff and consultants have had communication with my staff regarding potential modification scenarios to the Standing Wave white water feature, U.S. Army Corps of Engineers (USACE) Project Number SWF-2007-00209. Please include this number in all future correspondence concerning this project. On April 21, 2015, USACE staff members met with your staff and consultants and asked they continue towards final design of the modified bypass channel and continue looking for improvements at the bypass channel exit. Since that time, we have received minimal updates.

Please recall our June 22, 2011, letter sent to Mr. Kelly High, Director of the Trinity Watershed Management where we expressed concern over the Standing Wave bypass channel not functioning as intended in the permit application. Those sentiments continue to exist and unless the bypass channel is modified to allow safe boater passage (motorized and non-motorized) both up and downstream, the project will remain in non-compliance for adversely affecting a navigable water of the United States under Section 10 of the Rivers and Harbors Act of 1899.

We request that you acknowledge receipt of this letter in writing by December 30, 2015, and provide a detailed timeline showing the intended path forward. You may include any other information you deem pertinent. Failure to comply with the above request will result in continued enforcement actions with possible permit suspension/revocation under the procedures located at 33 CFR 325.7(c) and may recommend legal action in accordance with 33 CFR 326.5.
