Cost Accounting Michael R. Kinney, 2012-05-31. The ninth edition of Kinney Raiborn's *COST ACCOUNTING FOUNDATIONS AND EVOLUTIONS* provides in-depth coverage of current cost management concepts and procedures in a straightforward and reader-friendly framework. The clean, concise presentation of materials and the updated illustrations reinforce and clarify the topics that readers traditionally struggle with most. In addition, real-world examples and ethical coverage are woven into the text so readers immediately see the relevance of the cost accountant's role in managerial decisions and learn to go beyond the numbers and think critically. Ensure mastery of the procedural and decision-making skills needed for future success with the Comprehensive Review Module, an array of newly improved end-of-chapter assignments, and the powerful newly enhanced CengageNOW online learning and teaching system.

Encyclopedia of Business in Today's World Charles Wankel, 2009-06-12. 2009 RUSA Outstanding Business Reference. Business in today's world is increasingly diverse. Undertaking commerce even by an individual can mean working globally through a welter of new media with opportunities of all kinds rapidly appearing. The boundaries, scope, content, structures, and processes of a business activity can morph into completely different ones in the course of a project. Contemporary businesses and certainly future businesses find it incumbent upon them to fit within the requirements of environmental and economic sustainability of the others who inhabit our world. With more than 1,000 entries, the *Encyclopedia of Business in Today's World* is packed with essential and up-to-date information on the state of business in our world. Not only does it reflect where business is, it also conveys the trajectory of business farther into the 21st century. These four volumes provide clear overviews of the important business topics of our time, ranging from culture shock to currency hedging, political risk, offshoring, and transnational corporations. The wealth of topics represents an integrated vision by the editor of a perplexity of functions, technologies, and environmental factors.

Key Features: Provides insight into the development and current business situation globally through articles on many individual countries; Examines the processes, responsibilities, and ethics of business in the global market; Offers entries written by experts from diverse fields; Includes an appendix that looks at World Trade Organization statistics; Presents a vast range of topics including key companies, business policies, regions, countries, dimensions of globalization, economic factors, international agreements, financial instruments, accounting regulations, and approaches, theories, legislation, management practices, and approaches, and much more.
