Costa Ricas Caribbean Coast Travel Adventures:

Costa Rica's Caribbean Coast Bruce Conord, June Conord, 2009 Peppered throughout the text are quotes from literature music and popular sayings from everyone from Gilbert and Sullivan to Martin Luther King and The Beach Boys All fit the text and you ll be excused from breaking away from the travel information and thumbing through to see who the Conords will quote next The book recommends locking your passport in your hotel safe and when you go out carrying a photocopy that you ve made before you leave home That advice generates much debate in travel circles a question of balancing authorities insistence on seeing the original document with the risk of losing it In any case a copy made before departure without that all important entry stamp into the country would never suffice But these matters are small and forgivable in a guide packed with such solid information
