

REIMBURSEMENT AGREEMENT

Costco Employee Benefits Program

I understand and agree to all of the following:

1. The Costco Employee Benefits Program ("Plan") does not cover any health expenses for an illness or injury if the expenses are, or may be, recoverable from any third party—for example, my insurance coverage, another person's insurance coverage, or a workers' compensation program. However, the Plan will advance payment of such expenses while I pursue a recovery from a third party, on the condition that I reimburse the Plan out of any payment that a third party makes to me, my family members, or my attorney in connection with the illness or injury (a "third-party payment").
2. The Plan has an equitable lien against any third-party payment, in the amount of all expenses paid by the Plan in connection with the illness or injury (and regardless of when the expenses are paid or incurred). In addition, the Plan has a "first dollar" right to reimbursement—that is, the Plan has the right to be reimbursed from the total amount of any third-party payment (without reduction for any costs or attorney's fees I may incur in pursuit of the recovery) before any amounts are paid to me or any other person. The Plan's right to reimbursement applies regardless of how the third-party payment is obtained (for example, by suit, settlement, or otherwise), regardless of whether the payment is formally allocated to payment of health expenses, and regardless of whether I am "made whole" by the payment.
3. The Plan has the right to *full* reimbursement. The Plan is not required to reduce its lien for any costs or attorney's fees I incur in obtaining a third-party payment, or for any other reason. However, notwithstanding the Plan's right to full reimbursement, the Plan's general policy is to reduce its lien to the extent it exceeds 1/3 of the total third-party payments. The Plan reserves the right not to offer this lien reduction if I (or my attorney) do not cooperate with the Plan.
4. I will promptly notify the Plan if I receive any third-party payment, and I will hold the total amount of the payment in an escrow or trust account acceptable to the Plan (or, if I am represented by an attorney, I will direct my attorney to hold the payment in trust). The Plan will notify me of the amount of its lien and I will promptly reimburse the Plan. I will not permit any funds to be disbursed to me, my attorney or any other person until the Plan informs me in writing that its lien has been satisfied.
5. After I have reimbursed the Plan out of my third-party payment, the Plan may pay no further expenses relating to the injury or illness (regardless of when such expenses are incurred), in the Plan's sole discretion. As a condition of paying any further expenses, the Plan may require that I continue to hold up to 1/3 of the total third-party payment in a trust or escrow account for the purpose of reimbursing the Plan.
6. I will cooperate with the Plan's right to reimbursement, including by promptly providing any information requested by the Plan in connection with my third-party claim or third-party payment and by not taking any action which will prejudice the Plan's right to reimbursement. All benefits advanced by the Plan in connection with the injury or illness are made in reliance on my agreement to cooperate with the Plan and to promptly reimburse the Plan out of any third-party payment. If my attorney or I fail to do so, the Plan will stop advancing benefits, and the expenses previously advanced by the Plan will become immediately due and payable and will be considered an overpayment of benefits under Plan terms. The Plan will be entitled to recoup the overpayment by reversing the claims paid, and/or by offsetting the amount of the overpayment from any future benefit payments to me and/or my covered family members. In addition, the Plan may bring legal action against me for unjust enrichment, to seek a constructive trust, or to otherwise enforce the terms of the
