*Countdown to Armageddon / A Stranger in Paradise* Edward M Lerner,2022-12-29 In this amazing double sized volume are some of Edward M Lerner s best works In *Countdown to Armageddon* terrorists have obtained an atomic bomb and a would be martyr eager to deliver it and that s the good news The bad news unknown even to the terrorists is that their physicist has also found a way to take his new bomb back in time to a turning point in European history Harry Bowen an American physicist and Terrence Ambling a British agent turned historian are determined to stop Abdul Faisal but time is running out *A Stranger in Paradise* collects five of the bestselling author s science fiction stories spanning microengineering to Big Brother to planetary ecologies in *The Night of the RFIDs* *Two Kinds of People* *Better the Devil You Know* *Small Business* and *A Stranger in Paradise* **Countdown to Armageddon** Darrell Maloney,2018-06-28 It s been just shy of seven years since the first wave of electromagnetic pulses bombarded the earth and began the turmoil Most people couldn t cope for they no longer had the skills their ancestors had No one grew their own crops anymore Few knew how to hunt and fish and trap small game They lived off boxed food and canned goods And they died in great numbers Some though survived They weren t tougher than the others necessarily They were better planners They were the ones who were willing to learn new things By the time the canned goods and boxed pasta were gone the planners already had their grow spaces established and thriving They were raising livestock instead of butchering it on the spot And they were working hard to protect what they had from others who d take it from them The group of people in Scott Harter s south Texas compound was such a group They suffered like everyone else But they also persevered This is the final chapter in their story It takes place five years after we last saw them and tells the tail of a recovering world And a group of friends and family who ve defied the odds and thrived
