Negative and is largely due to the Nazi ideology which claims to be the Arya Nazi misguided and propaganda has damaged the image of Ary n eliminating thousands of humans with just one word racism We have entered and fallen into the abyss of destruction due to the political policies of a nation to the point that the assumption of white supremacy is the Superior Nation

Then wildly make the attitude of contagious other nations to Label the human hierarchy based on the color of the skin White or Black this results in dividing the human race Then who is that Aryan The initial assumption of the published Aryans today were those who lived in Iran Iraq in the prehistoric era these people migrated to northern India around 1 500 BC Indian

created a high civilization that existed thousands of years ago were destroyed by natural disasters of melting ice at the end of the last ice age or the beginning of the ice age 12 000 years ago and the basis of this Mythology is not strong enough Another assumption is that the original Aryan land was Thule at the warm north end of the earth they lived in caves this branch of the Ras Aryan descendant was proto Indo European published were Iranians who spread colonized various regions of the north of the earth after the Flood spread agricultural civilization and was universally recognized by the symbol Swastika This
