Counting Down the Rolling Stones Jim Beviglia, 2016 Publisher Synopsis The third in Beviglia's *Counting Down* series after books about Bob Dylan and Bruce Springsteen enumerates the Rolling Stones 100 best songs as determined by the author It's a book for hard core Stones fans especially those with a fairly extensive knowledge of music For each song the author tells us which album it's from comments on the themes and writing of the song and provides a capsule analysis of the musical performance As with all lists of bests the point here is for readers to make their own lists disagreeing with gusto Still Beviglia includes lots of the Stones classics *Jumpin' Jack Flash* *Gimme Shelter* *I Can't Get No Satisfaction* *You Can't Always Get What You Want* and *Get Off of My Cloud* among them but the order in which they appear is sure to spark debate as will the author's choice for number 100 *Definitely a must for devoted Stones fans who come in all ages* Booklist After fascinating and insightful looks at the songs of Bob Dylan and Bruce Springsteen music writer Beviglia provides a strong look at the 100 finest songs of the Rolling Stones Beviglia unearths numerous surprises and musical gems that he hadn't previously heard which makes for much of the book's appeal His look at the relatively overlooked song *Tops* from 1981 listed at 87 is an excellent description of how the song's musical veering back and forth between the playfulness of the verses and the refrains mirrors the push and pull of Mick Jagger's provocative lyrical role playing But listing *Honky Tonk Women* one of the Stones most famous and memorable songs at 46 is bound to strike even halfhearted Stones listeners as odd even if he does justifiably list *Jumpin' Jack Flash* at 1 Still regardless of his rankings Beviglia's writing will inspire readers to turn up the volume Publishers Weekly If you are a fan of radio's countdown shows like the iconic one done by the late Casey Kasem you will love Jim Beviglia's latest book offering *Counting Down The Rolling Stones Their 100 Finest Songs* This volume is a very detailed effort to chronicle the 100 best musical efforts of The Rolling Stones with insightful commentary review and analysis provided by an author who is one of the leading journalists of the American music industry We were surprised that *Satisfaction* our favorite TRS tune didn't make it into Beviglia's top 10 list it

was number 11 but reading about the background and creative process involved in 100 of the Stone s iconic songs certainly gave us a deeper appreciation of their longevity in the music business Gotta Love It T he real meat of the book is the author s extremely insightful reasoning for his choices In addition even serious Stones fans are likely to learn some history about the composition of the songs their evolution in the studio the contexts of their production and the contributions of all the performers both the Stones themselves and guest musicians and producers Beviglia s research is impressive That memoir included anecdotes that might have added some insights such as Keith Richards singing You Got the Silver because Johns erased a track he shouldn t have Jagger wasn t around so Richards filled in So Keith Richards first lead vocal was the result of an accident But Counting Down isn t intended to be a reference book giving readers the definitive production history of the Stones canon but rather a critical overview of why so many songs still deserve our appreciation to lesser and greater degrees Now Beviglia really has only one place to go He s done Dylan Springsteen the Stones who else has 100 songs to rank Well The Beatles of course especially if you mix in the solo works with the band s fab career Who else has that much of a catalogue at least in rock history Till then the Stones are more than worthy of this new exploration and rock fans who read have a treat to enjoy this year Bookpleasures com [Bruce Songs](#) Kenneth Womack,Kenneth L.
