Courrier International Daech Nove Dec

Jacques Baud

Courrier International Daech Nove Dec:

Governing by fake news Jacques Baud, 2023-03-07 What are Islamic State is seeking to create a civil war in France that Syrian President Bashar al Assad used chemical weapons that Vladimir Putin is trying to destabilise our democracies that terrorism has struck France not for what it does but for what it is that the genocide in Darfur has claimed 400 000 victims Literally none but these assertions are enough to establish the foreign policy of Western countries The author a former agent of the Swiss strategic intelligence service reviews the main contemporary conflicts that Western countries have managed with fake news over the last thirty years

Chronic Aftershock Jean-Philippe Mathy, 2021-10-15 The terrorist attacks of 11 September 2001 were a local event that nevertheless elicited strong reactions throughout the world The unprecedented strike on the continental United States its instantaneous broadcast and its global stakes placed 9 11 at the centre of ideological debates that still rage today The impact was especially felt in France Chronic Aftershock looks at the significance of 9 11 in France as documented by prominent politicians public intellectuals journalists sociologists political scientists philosophers novelists and conspiracy theorists In his comprehensive account Jean Philippe Mathy addresses the rise of a small but influential group of self described anti anti Americans who shared the views of American neoconservatives in support of regime change in Iraq the media controversy involving French Evangelical churches response to the religious views of George W Bush the widespread I am Charlie movement following the attacks against the offices of Charlie Hebdo and the unending French national debate on the place of the Muslim community in a secular universalist republic The book also considers the November 2015 Islamist attacks in Paris often described as the French September 11 Combining approaches from intellectual history cultural studies and literary criticism Chronic Aftershock explores the legacy of 9 11 and recent instances of transatlantic divide to provide an innovative and timely assessment of the radicalized violence that remains a major threat in today s world

The Evolution of Counter-Terrorism Since 9/11 Thomas Renard, 2021-09-23 This book examines the evolution of counter terrorism CT policies in liberal democracies since 2001 with a specific focus on the case of Belgium What is counter terrorism CT While the answer to this question may seem self evident it has become quite complicated to define the contours of a field that has expanded dramatically in the two decades since the 9 11 attacks The development of softer policies dealing with the prevention of radicalisation has blurred the limits of CT Through the use of public policy theory and an in depth case study on Belgium the book identifies the key factors influencing CT policy making both domestically and internationally and offers an explanation for the development of a more comprehensive CT agenda across Europe It provides an innovative theoretical approach and is also based on extensive interviews with key counter terrorism officials and analysis of key policy documents The book concludes by identifying some key drivers of change and offers an embryonic theory of CT policy making The book will be of much interest to students and practitioners of counter terrorism radicalisation European politics and security studies
