**Simone Janson**

A red circular graphic with a gradient, appearing as a semi-circle or a partial circle, located to the right of the name bar.

## Course Smart Coupon Code:

Be Clever Become Rich! Learn Smart Investment-Strategies Simone Janson, 2025-11-17 Also in the 8th revised and improved edition published by a government funded publisher involved in EU programs and a partner of the Federal Ministry of Education you receive the concentrated expertise of renowned experts overview in the book preview embedded in an integrated knowledge system with premium content and 75% advantage At the same time you do good and support sustainable projects Because having money is fun and getting rich without much stress is the old dream of many people The prerequisite for this is financial education and a good background knowledge Because with the right wide ranging risk management the dream of passive income where you let your money work for you can definitely come true But unfortunately few people really know their way around the subject of investing and opinions about proper financial planning are as many as there are experts So if you want to earn money by investing wisely you would do well not to lose track in the jungle of financial products Therefore it makes sense to deal with one's own asset planning in more detail after all savings and thus retirement provisions which are important for retirement are only destroyed by inflation Good luck and have fun reading Knowledge that makes a difference independently documented by its own Wikipedia entry With its information on demand concept the publishing house has been successful for over 20 years and has received numerous awards So when you buy the book you are also doing good The publisher is financially and personally committed to socially relevant projects such as tree planting campaigns scholarship foundations sustainable living and many other innovative ideas The goal of providing you with the best possible content on topics such as career finance management recruiting or psychology goes far beyond the static nature of traditional books The interactive book not only imparts expert knowledge but also allows you to ask individual questions and receive personal advice In doing so expertise and technical innovation go hand in hand as we take the responsibility of delivering well researched and reliable content as well as the trust you place in us very seriously Therefore all texts are written by experts in their field Only for better accessibility of information do we rely on AI supported research results to a limited extent to make information easier to find which assists you in your search for knowledge You also gain extensive premium services Each book includes detailed explanations and examples making it easier for you to successfully use the consultation services free of charge available only to book buyers Additionally you can download e courses work with workbooks or engage with an active community This way you gain valuable resources that enhance your knowledge stimulate creativity and make your personal and professional goals achievable and successes tangible That's why as part of the reader community you have the unique opportunity to make your journey to personal success even more unforgettable with travel deals of up to 75% off Because we know that true success is not just a matter of the mind but is primarily the result of personal impressions and experiences Publisher journalist and editor Simone Janson is also a best selling author was a columnist for WELT and Wirtschaftswoche and according to ZEIT one of Germany's most bloggers on success **Shop**

**Coming To America?** Muchina, 2021-06-07 In Coming to America The untold truth about living and working in America as an immigrant award winning author Muchina says it's time that someone finally told the biter truth about what it's like to live and work in America as an immigrant Over a million people migrate to the United States every single year What most of them don't know is that life in America is completely different from the America they see in the News or movies or American TV shows In Coming To America Muchina talks directly to new immigrants as well as those planning on migrating to the United States in the future With well researched statistics and figures he details the income of an average immigrant as well as the true cost of living and the sacrifices required in order to have a decent life while supporting family back home Close to a million immigrants become undocumented every year Muchina dedicates a few chapters to speak to those that may end up overstaying their visas or falling out of Status for various reasons The challenges faced by undocumented immigrants are many but millions of them find ways to get jobs buy cars rent apartments and even start their own businesses The question is How do they do it Those answers plus alternative documents the government makes available for undocumented people to open bank accounts and pay taxes to states that offer driver's licenses to undocumented residents all found within the pages of this book In the final chapters of the book Muchina shares his story of how his obsession with the pursuit of the American dream cost him everything he owned and nearly destroyed his life in the process He tells his compelling poignant story as a warning to others whose desire to make a lot of money may lead them down the wrong paths with dire consequences Mostly with his deep understanding of how the American system works he brings the wisdom of knowing What not to do as well as what aspects of life one must protect in order to build a decent and fulfilling life in America In his own words Muchina says This book is everything I wish someone had told me when I first came to America So If you're planning to migrate to America this book will help you answer some of the most important questions you may have such as What are the 5 top myths about America What are the top 5 mistakes most immigrants make Is The American Dream possible for an immigrant What will your host expect of you when you get to America Where should you settle in and why How are you expected to behave in America How is America different from where you're coming from What are you going to love about the country and its culture Will you be able to get a job What kind of documents will you need to get a job Will you be able to get work documents if you have a non immigrant visa Will you be allowed and able to get work if

you have a non immigrant visa What happens if you overstay your visa What kind of job will you be able to get as an immigrant How much are you likely to get paid for what job How much will it cost you to live in America How much does housing cost What can you or can t you do What kind of bills will you have to pay What kind of taxes will you have to pay How much money will you be able to earn per month How much will you be able to save per month If you wanted to start a business could you What kind of rights will you have as an immigrant How do undocumented immigrants get jobs What kind of work do undocumented immigrants do What jobs pay better than others for immigrants What rights do immigrants have Do undocumented immigrants have any rights What s a social security number and why does everyone need one What if you can t get a social security number because of your immigration status How do you get a driver s license If you go out of status will you be able to get a driver s license Where can you get a driver s license if you overstay your visa What can you expect from friends and relatives when you move to America How should you deal with relatives back home What s a FICO credit score and how does it determine your success or failure What mistakes are you likely to make that could ruin your life in America Will your foreign university degree get you a job in the United States In part 4 you ll hear the story of the author an immigrant whose life was nearly destroyed in America due to the lack of information such as found in this book In his pursuit of the American dream he made all the wrong mistakes just like so many immigrants and citizens make He hopes to spare you from the same fate so you have a chance to succeed and get yourself a piece of the American Dream *Mini Habits for Weight Loss* Stephen Guise,2016-11-27 The brain resists dramatic behavioral shifts Recognizing this and developing a strategy around it made the original Mini Habits the 1 selling self help book in a number of countries In Mini Habits for Weight Loss you ll discover that we also biologically resist such changes which explains why most dieters and smoothie cleanse aficionados lose weight in the short term only to gain it all back and more Mini Habits for Weight Loss will show you how to make dietary changes in a sustainable permanent way that doesn t trigger biological or neurological resistance It s an advanced version of the method that made the original book a hit in 14 languages The mini habits remain easy to implement but the reasoning and supporting strategies are more sophisticated This is by necessity as weight loss factors are many and varied All the suggestions in the book are rooted in extensive biological and neuroscience research
