Defending Marriage Anthony M. Esolen, 2014 *Defending Marriage Twelve Arguments for Sanity* is a rousing compelling defense of traditional natural marriage Here Anthony Esolen professor at Providence College and a prolific writer uses moral theological and cultural arguments to defend this holy and ancient institution bedrock of society and to illuminate the threats it faces from modern revolutions in law public policy and sexual morality Inside discover Traditional marriage s roots in age old religious cultural and natural laws Why gay marriage is a metaphysical impossibility How acceptance and legal sanction of gay marriage threatens the family How the state becomes a religion when it attempts to elevate gay marriage and enshrine as a civil right all consensual sex How divorce and sexual license have brought marriage to the brink How today s culture has impoverished and emptied love of its true meaning In *Defending Marriage* Esolen expertly and succinctly identifies the cultural dangers of gay marriage and the Sexual Revolution which paved its way He offers a stirring defense of true marriage the family culture and love and provides the compelling arguments that will return us to sanity and out of our current morass

*The Liberty Threat* James Tonkovich, 2014 What happened to liberty and justice for all Americans are losing what are supposed to be constitutionally promised rights at an alarming pace The Founding Fathers understood the overriding essentiality of religious practice unimpeded by governmental authority but time and vast cultural change has eroded this from the consciences of modern politicians The struggle for the right to worship freely has been present since the time of the Holy Roman Empire By looking at how the Ancient Christian world relates to the failures of our own Supreme Court it is possible to see what has lead to so much government interference in personal religious beliefs in the name of equality As we watch America teeter ever closer to the brink of moral collapse and prejudice towards religion become ever more institutionalized one question always surfaces How can we stop this In *The Liberty Threat* James Tonkovich explores the history of Christian philosophy from the Church s infancy through the birth of America and how it influenced religious liberty With powerful examples fresh from today s courts Tonkovich illustrates just how the rigid separation of Church and state has created a world that is hostile to true faith *The Liberty Threat* is both a chilling wake up call and a clear call to action for Christians everywhere

**Critical Conversations** Tom Gilson, 2016 Christian parents need to be prepared to answer the myriad challenges teens might hear in today s increasingly pro homosexual culture Why shouldn t gays get married Who says gay sex is wrong Does the Bible actually say there s anything wrong with homosexuality Don t you care that kids are being bullied just for being themselves To start the discussion Gilson provides a brief history of the issues beginning with the sexual revolution of the 1960s He explains how and why cultural attitudes have reversed on this subject in such a short timespan leaving Christians scrambling for answers This is perhaps the most complicated and contentious issue Christians face in today s culture Most churches are poorly equipped to handle it parents are even less prepared The good news is that parents need not have pat answers ready before they dive into conversations with their teens and preteens on

this difficult topic Learning together parents struggling through these issues alongside their kids and leading them to biblical answers has relational benefits Answers are important though so manageable nontechnical answers to common questions surrounding this issue are provided as well as a guide to further resources     The Reality of God Steve R.
