# DEFENDING *the* DAMNED

"Kevin Davis gets so far inside the story that you would swear he was sitting right there at the defense table. With a journalist's keen eye for telling detail and dialogue, he has written a completely gripping and revealing assessment of what is not only going on in our courtrooms but in our society as well. *Defending the Damned* is a great and important book."

—MICHAEL CONNELLY, *New York Times* bestselling author of *Echo Park*

"Stunningly real and poetically unromantic, *Defending the Damned* delivers us into a world of accused monsters and the complex souls who have sworn to stand by them. Davis's subjects trust him—an astonishing result in a part of Chicago where trust disappears first—and he hears everything they say."

—ROBERT KURSON, author of *Shadow Divers*

*Quest for Justice* Richard Jaffe,2020-03-23 Richard Jaffe's explosive second edition of *Quest for Justice* Defending the Damned affirms the vital role criminal defense lawyers play in the balance between life and death liberty and lockup It is a compelling journey into the legal and human drama of life or death criminal cases that often reads more like hard to imagine fiction yet these cases are real *Quest for Justice* invites readers into the courtroom and into the field with Richard Jaffe a powerhouse Alabama defense attorney with more than four decades of experience who has successfully defended hundreds of individuals accused of murder including more than seventy cases where the defendant faced the death penalty including the Olympic bomber Eric Robert Rudolph According to the Equal Justice Initiative in Alabama nine people have been exonerated from death row Jaffe represented four of them James Willie Bo Cochran Randal Padgett Gary Drinkard and Wesley Quick Though every chapter reveals more alarming gut wrenching cases and impediments to justice Jaffe's unwavering determination hope and strategies in the courtroom yield many momentous victories for his clients and the cause of justice In *Quest for Justice* Defending the Damned Richard Jaffe offers all audiences an accessible page turning

perspective borne out of a life representing the damned in America's criminal justice system *Defending the Damned* Kevin Davis,2008-09-02 Award winning journalist Davis spent a year in Chicago's Cook County Public Defender's office for this look into the American justice system More than 300 000 cases go through this office some involving the death penalty with approximately 600 public defenders to work them *Defending the Damned* Kevin Davis,2007-04 Chicago was the nation's deadliest city in 2001 recording 666 homicides For lawyers in the Cook County Public Defender's Office Murder Task Force that meant a steady flow of new clients Eight out of ten people arrested for murder in Chicago are represented by public defenders They're assigned the most challenging and seemingly hopeless cases yet they always fight to win One of those lawyers is Marijane Placek a snakeskin boot wearing Shakespeare quoting nonconformist whose courtroom bravado and sharp legal skills have made her a well known figure around the courthouse When an ex convict was arrested on charges of killing a Chicago police officer that deadly year Placek got the high profile case and her defense forms the hub around which the book's narrative revolves This work comes at a time when the country has seen how wrongful convictions have slipped through the system that innocent people have been sent to death row and that some police have lied or coerced suspects into confessing to crimes they did not commit Such flaws drive these public defenders even harder to do their jobs providing scrutiny to a long ignored and often broken system BOOK JACKET *Capital Defense* Jon B. Gould,Maya Pagni Barak,2025-06-03 The unsung heroes who defend the accused from the ultimate punishment What motivates someone to make a career out of defending some of the worst suspected killers of our time In *Capital Defense* Jon B Gould and Maya Pagni Barak give us a glimpse into the lives of lawyers who choose to work in the darkest corner of our criminal justice system death penalty cases Based on in depth personal interviews with a cross section of the nation's top capital defense

teams the book explores the unusual few who voluntarily represent society's worst of the worst. With a compassionate and careful eye Gould and Barak chronicle the experiences of American lawyers who like soldiers or surgeons operate under the highest of stakes where verdicts have the power to either take death off the table or put clients on the conveyor belt towards death. These lawyers are a rare breed in a field that is otherwise seen as dirty work and in a system that is overburdened under resourced and overshadowed by social cultural and political pressures. Examining the ugliest side of our criminal justice system Capital Defense offers an up close perspective on the capital litigation process and its impact on the people who participate in it.

**Clarence Darrow** John A. Farrell, 2011-06-14 Drawing on untapped archives and full of fresh revelations here is the definitive biography of America's legendary defense attorney and progressive hero Clarence Darrow. He is the lawyer every law school student dreams of being on the side of right loved by many women played by Spencer Tracy in *Inherit the Wind*. His days long closing arguments delivered without notes won miraculous reprieves for men doomed to hang. Darrow left a promising career as a railroad lawyer during the tumultuous Gilded Age in order to champion poor workers, blacks and social and political outcasts against big business Jim Crow and corrupt officials. He became famous defending union leader Eugene Debs in the landmark Pullman Strike case and went from one headline case to the next until he was nearly crushed by an indictment for bribing a jury. He redeemed himself in Dayton Tennessee defending schoolteacher John Scopes in the Monkey Trial cementing his place in history. Now John A. Farrell draws on previously unpublished correspondence and memoirs to offer a candid account of Darrow's divorce affairs and disastrous finances new details of his feud with his law partner the famous poet Edgar Lee Masters a shocking disclosure about one of his most controversial cases and explosive revelations of shady tactics he used in his own trial for bribery. Clarence Darrow is a sweeping surprising portrait of a legendary legal mind.

**A Theodicy of Hell** C. Seymour, 2013-03-09 In *A Theodicy of Hell* Charles Seymour tackles one of the most difficult problems facing the western theistic tradition to show the consonance between eternal punishment and the goodness of God. Medieval theology attempted to resolve the dilemma by arguing that any sin no matter how slight merits unending torment. Contemporary thinkers on the other hand tend to eliminate the retributive element from hell entirely. Combining historical breadth with detailed argumentation the author develops a novel understanding of hell which avoids the extremes of both its traditional and modern rivals. He then surveys the battery of objections ranged against the possibility of eternal punishment and shows how his freedom view of hell can withstand the attack. The work will be of particular importance for those interested in philosophy of religion and theology including academics students seminarians clergy and anyone else with a personal desire to come to terms with this perennially challenging doctrine.
