**How Do I Tax Thee?** Kristin Tate, 2018-03-20 Libertarian journalist Kristin Tate provides a look into the wild world of frivolous taxation aimed at educating members of her own generation in the evils of big government In *How Do I Tax Thee* libertarian commentator and rising media star Kristin Tate takes us on a tour of the ways the government bleeds us dry in

innumerable daily transactions and at various stages of life We all know the government taxes our pay federal state and local taxes are withheld by employers as are social security payments But what about the many other ways the government drains money from our wallets Have you studied your cell phone bill Customers in New York State pay an average of 24.36% in federal state and local taxes on their wireless bills They're also charged for obscure services they didn't ask for and don't understand like a universal service fund fee an FCC compliance fee a line service fee and an emergency services fee These aren't taxes strictly speaking The government imposes these administrative and regulatory costs and your wireless provider passes them along to you But the effect is exactly the same What about your cable bill Your power bill Your water bill The cost of a gallon of gas a cab ride a hotel stay and a movie ticket are all inflated by hidden fees How much of what you pay at the pump the box office or the airport is really an indirect tax In a series of short pointed fact laden humorous chapters Tate exposes the vast government shakedown that consumes up to half of your income and also explains where these hidden fees and taxes come from

*American Kleptocracy* Casey Michel, 2021-11-23 A remarkable debut by one of America's premier young reporters on financial corruption Casey Michel's *American Kleptocracy* offers an explosive investigation into how the United States of America built the largest illicit offshore finance system the world has ever known An indefatigable young American journalist who has virtually cornered the international kleptocracy beat on the US end of the black aquifer *The Los Angeles Review of Books* For years one country has acted as the greatest offshore haven in the world attracting hundreds of billions of dollars in illicit finance tied directly to corrupt regimes extremist networks and the worst the world has to offer But it hasn't been the sand splattered Caribbean islands or even traditional financial secrecy havens like Switzerland or Panama that have come to dominate the offshoring world Instead the country profiting the most also happens to be the one that still claims to be the moral leader of the free world and the one that claims to be leading the fight against the crooked and the corrupt the USA *American Kleptocracy* examines just how the United States implosion into a center of global offshoring took place how states like Delaware and Nevada perfected the art of the anonymous shell company and how post 9/11 reformers watched their success usher in a new flood of illicit finance directly into the US how African despots and post Soviet oligarchs came to dominate American coastlines American industries and entire cities and small towns across the American Midwest how Nazi era lobbyists birthed an entire industry of spin men whitewashing trans national crooks and despots and how dirty money has now begun infiltrating America's universities and think tanks and cultural centers and how those on the front line are trying to restore America's legacy of anti corruption leadership and finally end this reign of American kleptocracy
