

## HOW TO READ A... Delaware English Language Arts Literacy Concept Organizer

The ELA Literacy Concept Organizers™ were created to assist teachers in aligning their instruction to the Common Core State Standards in ELA. These ELA Literacy Concept Organizers are not replacements for teachers' individual units. They are deconstructions of the Common Core State Standards. These Literacy Concept Organizers are a resource from which teachers can select appropriate Knowledge, Understanding, and Do to develop their own unit(s) of instruction.

**Knowledge:** Refers to information such as vocabulary terms, definitions, and facts that may or may not need explicit instruction; however, are the foundation on which the lesson will be built.

**Understanding:** Refers to the important ideas, principles, and generalizations that allow students to make connections and use patterns and relationships among content. These are the goals of the instruction, outcomes you expect to achieve.

**Do:** Refers to demonstration of skills. These are the skills that require explicit instruction. By the completion of a lesson/unit, students should have mastered the selected skills.
