What is Protected in a Computer Program Josef Drexler, 1994-11-29. The first few years of the 90s have been extremely important for the development of software copyright both in the United States and Europe. In the United States, major decisions redefined the idea-expression dichotomy in different cases. In Europe, countries are still in the process of harmonizing their national laws with the EC Software Directive. The study compares traditional and evolving copyright standards as applied to computer programs on both sides of the Atlantic. It may well be said that recent case law has brought America closer to Europe. On the other hand, American experience turns out to be a useful guideline for distinguishing between the concepts of idea and expression in the sense of the software directive.

Software Law Todd F. Bassinger, 1997. Publisher of America's 1 Small Business Series is now helping empower the average citizen in their personal and professional lives. The Legal Power series aims to give you the tools you need to make proactive business and personal decisions, protect your assets, prevent painful contractual mistakes, and defend yourself in an increasingly litigious society. Thorough to the point and low cost, these books make understanding your rights simple by explaining lawyer babble in clear, plain English. Legal Power books are specific in scope, offering in-depth information on single topics rather than trying to be everything to everybody. Practical for real-world use, containing forms, examples, and case studies. User-friendly in tone and design. Simple but not simplistic. Inexpensively priced for the information-hungry consumer. Protect your software by using simple, do-it-yourself legal practices. From copyrights, patents, trade secrets, trademarks, and contracts, you can easily learn how to take legal matters into your own hands and protect yourself. Answer your critical questions on complex legal issues such as: What use of another's work is permissible? What to do if someone illegally uses your work? Granting licenses. International protection and much more.
