Literature as an Art Form - Evolving Intermedial Literary Landscape Asunción López-Varela Azcárate, 2025-07-02 Literature as an Art Form

Evolving Intermedial Literary Landscape brings together sixteen scholarly contributions that explore literature's ongoing transformation across media cultures and technologies. This anthology traces the dynamic interplay between literature and visual, sonic, performative, and algorithmic forms, ranging from illuminated manuscripts and oral traditions to digital texts and anime. Rejecting the notion of literature as a fixed verbal art, the chapters highlight its status as a transmedial, evolving practice shaped by and shaping the environments in which it is situated. Each essay examines how literature migrates across modalities, revealing it as a mutable process of technopoiesis. Together, they offer a compelling vision of literature not as an autonomous artefact but as a fluid cultural phenomenon whose conditions of existence are inseparable from intermedial exchange.

Shakespeare's Ruins and Myth of Rome Maria Del Sapiro Garbero, 2021-12-30 Rome was tantamount to its ruins a dismembered body to the eyes of those Italians and foreigners who visited the city in the years prior to or encompassing the lengthy span of the Renaissance Drawing on the double movement of archaeological exploration and creative reconstruction entailed in the humanist endeavour to resurrect the past ruins are seen as taking precedence over myth in Shakespeare's Rome They are assigned the role of a heuristic model and discovered in all their epistemic relevance in Shakespeare's dramatic vision of history and his negotiation of modernity This is the first book of its kind to address Shakespeare's relationship with Rome's authoritative myth archaeologically by taking as a point of departure a chronological reversal namely the vision of the eternal city as a ruinous scenario and hence the ways in which such a layered silent and aporetic scenario allows for an archaeo-anatomical approach to Shakespeare's Roman works **Darkness Beckons Anthology**
