## **Cornucopia New Horizons Book II:**

**A Cornucopia of New Horizons** Daystar, 2015-12-18 Raccoons and dogs don't have much in common until my stories point out how important it is to find a home like setting in which to learn and grow in wisdom. And at the same time have some fun. An M M Story is partly educational along with being fun to read. Mushy or Tiger has an educational slant also along with bonding relationships between man and dog. Will Victor ever find his puppy again? Will M M ever get back home? Let's hope so but you'll have to read the two stories to find out. Can you guess before the endings?

**A Cornucopia of New Horizons** Daystar, David a Baker, 2015-12-24 My Dolphin wants to visit a place where no one is able to go. Can he find a way? My Baby Worm has a need to travel to distant places where he can make his dreams come true. Do you think he gets there? Being stunned about the request of a worm story took me to my dictionary a long slender soft bodied creeping animal. Well I'll be. These stories are indirectly derived from what my Dad taught me about rainbows and loyalty in my childhood. But directly derived from grandson's requests of a particular animal. Bless their hearts! LIFE is a dream sometimes. When two of DAYSTAR's grandsons were six and eight their mother had them color in features of a paint by number Poster. This led to her writing seven animal stories and one Fairytale. All her stories appear in America Star Books Store published under the following titles: A Tiger's Tale, A Fairytale Woods of Whimsy, A Cornucopia of New Horizons, A Cornucopia of New Horizons Book II, and A Cornucopia of New Horizons Book III.
