**The Boundaried Therapist** Nicole Perry, 2024-07-15 Set boundaries to sustain yourself and your counselling practice Setting healthy boundaries It s a central theme in many counselling sessions yet something that therapists often struggle to do for themselves In a profession that is motivated by a desire to help others and relieve suffering the pressure is always there for therapists to put others needs before their own For registered psychologist Nicole Perry the conversation around therapists own needs is conspicuously missing When these needs are not addressed therapists are left vulnerable to potential career and life altering outcomes like burnout and vicarious trauma It s time to think about boundaries that contemplate the therapist in a wholistic way addressing not only their professional responsibilities but their limits needs and values Taking a somatic and feminist approach Nicole leads readers down a self reflective path to practical boundaries that nurture them as people first therapists second boundaries that are essential for building and sustaining a long and vibrant career in counselling

*Financial Accounting using IFRS* M.H. Franco Wong, Michelle Hanlon, Robert Magee, Glenn Pfeiffer, 2025-08-14 We wrote this book to equip students with the accounting techniques and insights necessary to succeed in today s global business environment It reflects our combined

experience in teaching financial accounting to students at all levels and in several countries For anyone who pursues a career in business the ability to read analyse and interpret published financial reports is an essential skill Financial Accounting using IFRS is written for future business leaders who want to understand how financial statements are prepared and how the information in published financial reports is used by investors creditors financial analysts and managers Our goal is to provide the most engaging relevant and accessible textbook available TARGET AUDIENCE Financial Accounting using IFRS is intended for use in the first financial accounting course at either the undergraduate or graduate level at universities that want to teach IFRS U S GAAP is not covered This book balances the preparation of financial statements with their analysis and interpretation This book accommodates mini courses lasting only a few days as well as extended courses lasting a full semester Financial Accounting using IFRS is real world oriented and focuses on the most salient aspects of accounting It teaches students how to read analyse and interpret financial accounting data to make informed business decisions To that end it consistently incorporates real company data both in the body of each chapter and throughout the assignment material
