

# How to Prepare for Class

One of the best ways to ensure you get to class is to be prepared. So prepare by taking simple steps to attend class, study efficiently and manage your time.

- 1 START THE DAY THE NIGHT BEFORE.** Pack a lunch or a snack, plan your outfit, and pack your bag with your school paperwork and any other materials you will need for class or the library.

- 2 TIMING IS IMPORTANT.** Knowing how long it really takes to get to class in advance is important so you have a better chance of getting there on time. If you plan to stop and get a snack on the way, make sure you leave enough time.

- 3 STAY ON CAMPUS IN BETWEEN CLASSES AND STUDY.** Staying on campus may help you limit the risk of missing your next class and you'll have more time to be social later if you utilize this time for study.

- 4 PRIORITIZE.** Determine which assignments are due the next day, and work on those projects first.

- 5 GET A DAY PLANNER AND USE IT!** Your smartphone may be perfect for day-to-day reminders such as attending a study group. A weekly calendar may help you see the big picture of your workload.

- 6 PREPARATION SEEMS TO HELP!** These five actions may help you work toward the goals you set for yourself this school year and help you get more out of going to class.
