Deerslayer James Fenimore Cooper:

The Deerslayer by James Fenimore Cooper, 2018-04-21 *The Deerslayer* by James Fenimore Cooper *The Deerslayer* James Fenimore Cooper, 2018-09-20 Reproduction of the original *The Deerslayer* by James Fenimore Cooper ***The Deerslayer - James Fenimore Cooper*** James Fenimore Cooper, 2021-06-30 *The Deerslayer* or *The First Warpath* 1841 was the last of James Fenimore Cooper's Leatherstocking tales to be written. Its 1740-1745 time period makes it the first installment chronologically and in the lifetime of the hero of the Leatherstocking tales, Natty Bumppo. The novel's setting on Otsego Lake in central upstate New York is the same as that of *The Pioneers*, the first of the Leatherstocking tales to be published, 1823. *The Deerslayer* is considered to be the prequel to the rest of the Leatherstocking tales. Fenimore Cooper begins his work by relating the astonishing advance of civilization in New York State, which is the setting of four of his five Leatherstocking tales. ***The Deerslayer or the First Warpath*** James Fenimore Cooper, 1987-03-15 Written during a nostalgic interval during Cooper's stormy battles with the Whig Press, *The Deerslayer* 1841 is the last of the world-famous Leatherstocking Tales in point of composition, though first in the biographical sequence. Employing physical adventure and violence in a mythopoetic setting drawn largely from his own youthful experience, Cooper evokes the stages of Natty's initiation as a subtly allegorical medium for instilling permanent values. Values he thought should pervade the conduct of the American press and all segments of American society. According to Edmund Wilson, this book, which D. H. Lawrence called the loveliest and best of the Leatherstocking series, contains description which owes its power like Melville's description of the Pacific or one of Poe's pieces on landscape gardening to an emotional content which has charged the object and transformed it into a symbol. And the action has a reality which we recognize and accept as we read the reality of a dream full of danger. *The Shock of Recognition* ***The Deerslayer Annotated*** James Fenimore Cooper, 2020-12-13 *The Deerslayer* or *The First War Path* was James Fenimore Cooper's last novel in his Leatherstocking Tales. Its 1740-1745 time period makes it the first installment chronologically and in the lifetime of the hero of the Leatherstocking tales, Natty Bumppo. *The Deerslayer* James Fenimore Cooper, 2017-04-24 How is this book unique? Font adjustments but are captured in the act and later ransomed by Bumppo. Chingachgook and Hutter's daughters, Judith and Hetty Bumppo, and Chingachgook thereafter plan to rescue Chingachgook's kidnapped betrothed, Wah-tah-wah, alias Hist, from the Hurons, but in rescuing her, Bumppo is captured. In his absence, the Hurons invade Hutter's home and Hutter is scalped alive. On his deathbed, he confesses that Judith and Hetty were not his daughters by birth, and Judith determines to discover her natural father's identity, but her search reveals only that her late mother had been of aristocratic descent and had married Floating Tom after the collapse of an illicit affair. Later, Judith attempts and fails to rescue Deerslayer, and they are all saved at last when March returns with English reinforcements who massacre the Hurons and mortally wound Hetty. After Hetty's death, Judith proposes marriage to Deerslayer but is refused and is last described as the

paramour of a soldier Fifteen years later Bumpo and Chingachgook return to the site to find Hutter's house in ruins

Leatherstocking tales **The Deerslayer (Large Print)** James Fenimore Cooper, 2015-04-23 On the human imagination events produce the effects of time Thus he who has travelled far and seen much is apt to fancy that he has lived long and the history that most abounds in important incidents soonest assumes the aspect of antiquity In no other way can we account for the venerable air that is already gathering around American annals When the mind reverts to the earliest days of colonial history the period seems remote and obscure the thousand changes that thicken along the links of recollections throwing back the origin of the nation to a day so distant as seemingly to reach the mists of time and yet four lives of ordinary duration would suffice to transmit from mouth to mouth in the form of tradition all that civilized man has achieved within the limits of the republic Although New York alone possesses a population materially exceeding that of either of the four smallest kingdoms of Europe or materially exceeding that of the entire Swiss Confederation it is little more than two centuries since the Dutch commenced their settlement rescuing the region from the savage state Thus what seems venerable by an accumulation of changes is reduced to familiarity when we come seriously to consider it solely in connection with time This glance into the perspective of the past will prepare the reader to look at the pictures we are about to sketch with less surprise than he might otherwise feel and a few additional explanations may carry him back in imagination to the precise condition of society that we desire to delineate It is matter of history that the settlements on the eastern shores of the Hudson such as Claverack Kinderhook and even Poughkeepsie were not regarded as safe from Indian incursions a century since and there is still standing on the banks of the same river and within musket shot of the wharves of Albany a residence of a younger branch of the Van Rensselaers that has loopholes constructed for defence against the same crafty enemy although it dates from a period scarcely so distant Other similar memorials of the infancy of the country are to be found scattered through what is now deemed the very centre of American civilization affording the plainest proofs that all we possess of security from invasion and hostile violence is the growth of but little more than the time that is frequently fulfilled by a single human life *The Deerslayer: Novel* James Fenimore Cooper, 2019-03-05 The Deerslayer or The First War path 1841 was the last of James Fenimore Cooper's Leatherstocking Tales to be written Its 1740-1745 time period makes it the first installment chronologically and in the lifetime of the hero of the Leatherstocking tales Natty Bumppo The novel's setting on Otsego Lake in central upstate New York is the same as that of The Pioneers the first of the Leatherstocking Tales to be published 1823 The Deerslayer is considered to be the prequel to the rest of the series Fenimore Cooper begins his work by relating the astonishing advance of civilization in New York State which is the setting of four of his five Leatherstocking Tales This novel introduces Natty Bumppo as Deerslayer a young frontiersman in early 18th century New York who objects to the practice of taking scalps on grounds that every living thing should follow the gifts of its nature which would keep European Americans from taking scalps Two characters who actually seek to take scalps are Deerslayer's foil Henry March alias Hurry Harry and the former pirate Floating Tom Hutter to whom Deerslayer is introduced en route to a rendezvous with the latter's
