An Introduction to the Christian Faith

Delighting In The Trinity:

Delighting in the Trinity Michael Reeves, 2012-07-03 In this brief and winsome book Michael Reeves presents an introduction to the Christian faith that is rooted in the triune God. He takes cues from preachers and teachers down through the ages setting key doctrines of creation, the person and work of Christ and life in the Spirit into a simple framework of the Christian life.

Delighting in the Trinity Michael D. Reeves, 2012 Why is God love? Because God is a Trinity. Why can we be saved? Because God is a Trinity. How are we able to live the Christian life? Through the Trinity. In this lively book we find an introduction to Christianity and the Christian life that is from start to finish rooted in our triune God: Father, Son, and Spirit. Not only do we understand the person and work of Christ through the Trinity but also prayer, the church, and every aspect of our faith. With wit and clarity Reeves draws from church history down to the present, referencing a wide range of notable teachers and preachers. Here is a rich and enjoyable portrayal of the basic beliefs of Christianity that opens up the profound and life-changing truths of our faith.

Delighting in the Trinity Tim Chester, 2010-11-01 Delighting in the Trinity looks at the wonderful and fundamental truth that our God is three in one. How can there be three Gods and yet only one God? Have you ever groaned inwardly at a question like this? Many of us find the doctrine of the Trinity—that God is three persons sharing one nature—difficult to get our heads round and frankly a bit embarrassing. What is more, we seem to get by without thinking about it too deeply. But in reality the Trinity is at the heart of all that Christians believe. The nature of God as a Trinity gives shape to all Christian truth and to the gospel that we believe and proclaim. And rather than be a source of embarrassment properly understood it should fill us with joy. This book aims to help you see how the Trinity is fantastically good news. Because the Trinity means that God is not remote and uninvolved; quite the opposite. God sent His Son and His Spirit into our world to draw us into a wonderful relationship with Himself. This is the God who gives meaning and joy to our lives. And along the way we discover that the Trinity answers other big questions: How can we know God? What happened at the cross? What does it mean to be human? How can people live together with all their differences? What does mission look like in a fragmented world? Tim Chester will take us deeper into understanding the thrilling triune nature of God. In short, accessible chapters he takes us through the Bible's teaching on the Trinity, gives us an overview of the important arguments over the Trinity that have taken place throughout Christian history, and lays out the practical implications for our Christian lives.

Overflow Michael Reeves, 2021-07-06 What does the Trinity have to do with missions? As it turns out, everything. Too often we put theology in one part of the Christian life and missions in another, and they never meet. A doctrine like the Trinity belongs in the intellectual realm while missions belongs with the practical parts of life. Or so we think. But is that really the way it should be? Michael Reeves wants you to understand that the doctrine of the Trinity has everything to do with the practice of missions. When a Christian sees the Father, Son, and Holy Spirit as divine persons who are so full of love that it radiates and overflows into creation and into the lives of human beings, our perspective on missions is radically changed. No

longer is missions an obligation or a drudgery Instead realizing the abundance of love that goes forth from God we who have received and delighted in such love are motivated to go forth as well Let the radiance of God s triune beauty capture your heart Then God s great mission won t be a chore but will naturally overflow from your joyous delight in Him *Summary of Michael Reeves's Delighting in the Trinity* Everest Media,2022-09-09T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The Trinity is hardly a warm and fuzzy concept but it is a necessary one And not just for Christians but for anyone who wants to know God more deeply and enjoy him more 2 The Trinity is a difficult concept but it is a necessary one If the Trinity is not seen as a weird and fantastic monstrosity then it can be seen as irrelevant 3 The Trinity is a difficult concept but it s a necessary one It is not a problem 4 The Trinity is a difficult concept but it is a necessary one It is not a problem Delighting in the Trinity Josh Burnham,2025-10-16 Many Christians believe in the Trinity but few truly delight in it We affirm the Father Son and Holy Spirit yet often treat this mystery as a doctrine to defend rather than a beauty to behold Delighting in the Trinity invites you to rediscover God not as an abstract formula but as the living fountain of all joy love and fellowship Drawing from Scripture church history and the Apostles Creed Josh Burnham invites readers into the story of a God who is infinitely relational and gloriously near Each page calls you not only to understand the Trinity but to worship to find your deepest joy in the eternal fellowship of Father Son and Holy Spirit **Delighting in the Trinity** Tim Chester,2005 Many of us find the doctrine of the Trinity that God is three persons sharing one nature difficult to get our heads round and frankly a bit embarrassing What is more we seem to get by without it But in reality the Trinity is at the heart of all we believe The Trinity gives shape to Christian truth Rejoicing in Christ Michael Reeves,2015-02-23 Michael Reeves opens to readers the glory and wonder of Christ offering a bigger and more exciting picture than many have imagined Jesus didn t just bring us the good news He is the good news Reeves helps us celebrate who Christ is his work on earth his death and resurrection his anticipated return and how we share in his life Containing a Calendar and Nautical Intelligence for the Year: Authentic and Valuable Information Relating to Public Offices, in Situations, Banks ,1920 Duty and Delight Robin A.
