Demented Lady Detectives Club:

The Demented Lady Detectives' Club Jim Williams, In the pretty Devonshire town of Dartcross an elderly lady diarist struggles with her memory to write a history of her colourful past her hateful cat and her murderous husband At the same time Janet Bretherton and her friend Belle try to discover a purpose to their retirement Is it enough to discuss the latest novels in their readers group go to the theatre or attend a s ance Perhaps instead they should try to solve the mystery of the dead Polish man whose body is found by the river The Demented Lady Detectives Club is both a whodunit and a funny yet poignant account of a group of women growing old and seeking love and meaning in both the past and the present The unnamed lady diarist finally faces up to the horror she has buried in her memory and the love she has lost And Janet has to deal with the tender feelings she is still capable of evoking in a man who is twenty years her junior *Farewell to Russia* Jim Williams, The unthinkable has happened at the Soviet nuclear plant at Sokolskoye An accident of such terrifying proportions of such catastrophic ecological and political consequence that a curtain of silence is drawn ominously over the incident Major Pyotr Kirov of the KGB is appointed to extract the truth from the treacherous minefield of misinformation and intrigue and to obtain from the West the technology essential to prevent further damage But the vital equipment is under strict trade embargo And in London George Twist head of a company which manufactures the technology is on the verge of bankruptcy and desperate to win the illegal contract Can he deliver on time Will he survive a frantic smuggling operation across the frozen wastes of Finland Can he wrong foot the authorities and his own conscience Is it possible to say farewell to Russia *Farewell to Russia* is the first of Jim Williams s astonishingly prophetic novels about the decline and fall of the Soviet Union

Irina's Story Jim Williams, 2018 Irina s Story is the history of the Uspensky family and its attempt to negotiate the perils of 20th century Russia It begins in the twilight years of the Tsarist empire in the idyllic setting of the family s country home at Babushkino and describes a world which is destroyed by war revolution and Stalin s terror and ends with the fall of communism and the beginning of a new Russia of gangsters and crony capitalism At the age of 90 Irina Uspenskaya is the last surviving witness of these events In her Moscow apartment while her young relative Slavochka and his friends in the International Syndicate aspire to become successful drug dealers Irina collects the letters and diaries of her parents generation and sets down the tale of what happened to them all In turn she describes the doomed marriage of her father Nikolai and her mother Xenia who love but never understand each other her idealistic aunt Adalia who marries the sinister Grodsky her disreputable uncle Alexander and his feisty wife Tatiana These and a host of other colourful characters populate the story and we see their world through their eyes and understand it through their thoughts and writings Our guide Irina is wry funny insightful and humane Born with a disability she views events through detached yet sympathetic eyes and reflects on her own history and her unrequited love for a boy she met as a little girl and the family and children she will never have Irina s Story is told with verve compassion and a command of the sweep of Russian history It is at times funny romantic

tragic and appalling but suffused throughout with deep humanity

The Strange Death of a Romantic Jim Williams, A group of glamorous English socialites spend the summer of 1930 holidaying on the Italian Riviera where the poet Shelley died in a sailing accident in 1822 To pass the time they tell amusing stories much as Shelley Byron and their friends had done a century earlier For their theme they choose the death of Shelley and the stories progress towards a solution to the murder mystery Yet is that truly what the stories are about Or despite their witty surface are they a code for dark and dangerous secrets hidden behind an urbane façade Guy Parrot a naive young doctor finds himself falling in love with the beautiful and enigmatic Julia the truth of whose past flickers between the lines of the stories tantalising both Guy and the Reader Guy discovers that truth and its terrible reality leads to two murders and the destruction of his happiness and sanity In 1945 in the aftermath of war Guy returns to Italy with the army and is given an opportunity to re examine the events of fifteen years before This time will he understand what happened and finally redeem himself The Strange Death of a Romantic offers the Reader romance comedy suspense and an intriguing solution to a historical Whodunit but without the inconvenience of a crime

A Message to the Children Jim Williams, 2021 Those who come after us will want to know we really lived and loved as intensely as they do Tell them WHO ARE YOU WHY DO YOU ACT THE WAY THAT YOU DO These questions capture the essential things we want to know about ourselves and explain to others Yet so often we fail to do so Instead many of us spend a great deal of effort researching the history of our ancestors to discover no more than the fact that they were workmen servants and grocers of whom we can learn next to nothing If only they had written the story of their lives A Message to the Children is a book with a difference an account of the author's life a memoir to his children a love letter to his wife and a guide to how you too can write about your own life Written in an easy and amusing style it explains for the benefit of the non writer such subjects as how to break the task down into manageable sections how to exploit photographs and scrapbooks for materials and what themes to write about Then it applies those lessons in a way that will both touch and entertain you Jim Williams is a Booker nominated author of thirteen novels and two works of non fiction
