

Deng Xiaoping A Political Biography

David Shambaugh

Deng Xiaoping A Political Biography:

Deng Benjamin Yang, 2016-04-08 A comprehensive exposition of the life of Deng Xiaoping the pre eminent leader of late 20th century China from his birth in 1904 to the present Written by an insider this study is notable for the detail it provides on elite level Chinese Communist Party politics and Deng s changing relations with his party colleagues in the jockeying for power that constitutes a significant aspect of CCP politics This biography combines intimate details and the sweep of history that encompasses the struggles of 20th century China This text provides both political and personal information that may be of interest to students of Chinese history as well as providing an insight into the man who has influenced the social political and economic development of China *Deng Xiaoping* Alexander V. Pantsov, Steven I. Levine, 2015-04-01 Deng Xiaoping joined the Chinese Communist movement as a youth and rose in its ranks to become an important lieutenant of Mao s from the 1930s onward Two years after Mao s death in 1976 Deng became the de facto leader of the Chinese Communist Party and the prime architect of China s post Mao reforms Abandoning the Maoist socio economic policies he had long fervently supported he set in motion changes that would dramatically transform China s economy society and position in the world Three decades later we are living with the results China has become the second largest economy and the workshop of the world And while it is essentially a market economy socialism with Chinese characteristics Deng and his successors ensured the continuation of CCP rule by severely repressing the democratic movement and maintaining an iron grip on power When Deng died at the age of 92 in 1997 he had set China on the path it is following to this day Alexander Pantsov and Steven Levine s new biography of Deng Xiaoping does what no other biography has done based on newly discovered documents it covers his entire life from his childhood and student years to the post Tiananmen era Thanks to unprecedented access to Russian archives containing massive files on the Chinese Communist Party the authors present a wealth of new material on Deng dating back to the 1920s In a long and extraordinary life Deng navigated one epic crisis after another Born in 1904 Deng like many Asian revolutionary leaders spent part of the 1920s in Paris where he joined the CCP in its early years He then studied in the USSR just as Stalin was establishing firm control over the Soviet communist party He played an increasingly important role in the troubled decades of the 1930s and 1940s that were marked by civil war and the Japanese invasion He was commissar of a communist dominated area in the early 1930s loyal henchman to Mao during the Long March regional military commander in the anti Japanese war and finally a key leader in the 1946 49 revolution During Mao s quarter century rule Deng oscillated between the heights and the depths of power He was purged during the Cultural Revolution only to reemerge after Mao s death to become China s paramount leader until his own death in 1997 This objective balanced and unprecedentedly rich biography changes our understanding of one of the most important figures in modern history **Deng Xiaoping and the Chinese Revolution** David Goodman, 2002-09-11 First published in 1994 Routledge is an imprint of Taylor Francis an informa company *Deng Xiaoping and the Chinese Revolution* David S. G.

Goodman,1994 David Goodman reaches beyond China's spectacular economic success of recent years to understand the sources of Deng's political power This is a balanced evaluation of the career of one of the century's great political survivors

Deng Xiaoping Michael Dillon,2014-10-27 One of the most important figures in global politics during the second half of the 20th century Deng Xiaoping is generally considered the central figure behind China's economic liberalization programme that produced historically unprecedented growth rates and development beginning in the late 1970s Lifting nearly a billion people out of poverty Deng Xiaoping's Four Modernisations called for reform in agriculture industry military and science and technology Today these reforms are considered to be the crucial turning point in modern Chinese history enabling China to effectively harness its previously latent power in its quest to become a global economic superpower Just ten years after this tremendous achievement Deng's brutal suppression of the democracy movement at Tiananmen Square severely undermined his international and domestic reputation To explain the seeming contradictions between Deng Xiaoping's desire for economic liberalization and political conservatism Michael Dillon's biography utilizes recently released Chinese sources to detail Deng Xiaoping's emergence from a minority second class community in the Sichuan province via education in France to his meteoric rise to the top of the CCP's political hierarchy illustrating the ways in which his life of struggle and survival shaped his political career Dillon's biography addresses Xiaoping as both an intensely committed communist capable of playing a principal role in the Great Leap Forward from 1958 to 1961 while incurring the wrath of Mao only ten years later as he was exiled and purged during the Cultural Revolution Emphasizing Deng Xiaoping's effectiveness as a party operator and political bruiser rather than an intellectual capable of formulating the reforms for which he eventually took credit this book sheds light on Deng's ability to capitalize upon the planning expertise of other party members This biography of the central figure in China's economic liberalization is essential for any reader interested in or affected by China's rise to global prominence

Deng Xiaoping Maomao,1995-01-26 The youngest daughter of Chinese leader Deng offers a sweeping history of 20th century China woven around the story of her father's life Writing about people and events long shrouded in mystery Deng Maomao traces Deng Xiaoping's remarkable 60 year career from his birth to his rise as leader of China

Deng Xiaoping and the Cultural Revolution Maomao,2005-01-01 The daughter of the former Chinese leader describes his life and political career emphasizing the story of the Cultural Revolution

[Deng Xiaoping](#) Uli Franz,1988 Condemned as a top capitalist roader and sent into exile Deng Xiaoping is now celebrated as the architect of the Chinese Industrial Revolution Photos

Deng Xiaoping Whitney Stewart,2001-01-01 Traces the life and career of the Chinese Communist leader who brought reforms and international trade to China in the 1980s

[Deng Xiaoping and the Transformation of China](#) Ezra F. Vogel,2013-10-14 No one in the twentieth century had a greater impact on world history than Deng Xiaoping And no scholar is better qualified than Ezra Vogel to disentangle the contradictions embodied in the life and legacy of China's boldest strategist the pragmatic disciplined force behind China's radical economic technological and social transformation

Deng

Xiaoping and the Making of Modern China Richard Evans, 1994 Evans examines 20th century Chinese history especially the rise of Communism and the Cultural Revolution using the career of Deng Xiaoping as the focus **Deng Xiaoping** David L. Shambaugh, 1995 Examines Deng's rise to power and his leadership of China since 1977 *China in the Era of Deng Xiaoping* Michael Y. M. Kau, Susan H. Marsh, 1993 The product of an international academic conference held at Brown U in November 1987 this volume provides a comprehensive analysis and assessment of the nature pattern and trend of Deng Xiaoping's far reaching developmental reforms in the decade following the Third Plenum of the Eleventh Central Committee of the Chinese Communist Party in December 1978 The volume like the conference is in two parts In the first 12 research papers are presented by Western scholars each followed by comments from two or three participants In the second part a senior government official from Beijing outlines the reforms of the post Mao period followed by assessments of the policy implications of the reforms by officials from Tokyo Moscow and Washington Annotation copyright by Book News Inc Portland OR **China Under Deng Xiaoping** David W. Chang, 1991-06-18 Based on interviews field trips to factories and rural communes this is an attempt to assess the political history of China and project its future development The book suggests that China will continue to reform and will move away from adherence to Mao Zedong thought **Deng Xiaoping** David S. G. Goodman, 1990-01 Part of a series of often controversial biographies of statesmen and women who have shaped the modern world this book features Deng Xiaoping whose career in politics has spanned seventy years At 86 he still remains the most enigmatic force guiding China towards the 21st century **Zhou Enlai** Gao Wenqian, 2008-10-16 Zhou Enlai the premier of the People's Republic of China from 1949 until his death in 1976 is the last Communist political leader to be revered by the Chinese people He is considered a modern saint who offered protection to his people during the Cultural Revolution an admirable figure in an otherwise traumatic and bloody era Works about Zhou in China are heavily censored and every hint of criticism is removed so when Gao Wenqian first published this groundbreaking provocative biography in Hong Kong it was immediately banned in the People's Republic Using classified documents spirited out of China Gao Wenqian offers an objective human portrait of the real Zhou a man who lived his life at the heart of Chinese politics for fifty years who survived both the Long March and the Cultural Revolution not thanks to ideological or personal purity but because he was artful crafty and politically supple He may have had the looks of a matinee idol and Nixon may have called him the greatest statesman of our era but Zhou's greatest gift was to survive at almost any price thanks to his acute understanding of where political power resided at any one time **China and the Legacy of Deng Xiaoping** Michael E. Marti, 2002 China and the Legacy of Deng Xiaoping documents a turning point in the Chinese communist revolution that elevates Deng to a role equal to that of Mao Dr Marti explores post Tiananmen domestic political wrangling and offers the first documentation of Deng's efforts to link all the major elements of society the PLA the Party the revolutionary elders and the regional governors into a coalition whose survival depends on the success of his economic policies Understanding this sense of

commitment to China's long term goals has significant implications for predicting the outcome of the current struggle between the hardliners and reformers By providing a new interpretation of Chinese behavior China and the Legacy of Deng Xiaoping adds to the current debate among policy makers and academicians over the future direction of Chinese policy

Deng Xiaoping Ruan Ming, 2019-03-11 In 1978 Deng Xiaoping China's paramount leader launched the economic reforms that turned the world's most populous nation into an economic dynamo Yet Deng also shaped the destiny of a China that to this day is locked in the iron embrace of the Chinese Communist Party and its ancient intractable leaders even though early in his regime Deng had *China's Leaders* David Shambaugh, 2021-06-25 Since the founding of the People's Republic of China over 70 years ago five paramount leaders have shaped the fates and fortunes of the nation and the ruling Chinese Communist Party Mao Zedong Deng Xiaoping Jiang Zemin Hu Jintao and Xi Jinping Under their leaderships China has undergone an extraordinary transformation from an undeveloped and insular country to a comprehensive world power In this definitive study renowned Sinologist David Shambaugh offers a refreshing account of China's dramatic post revolutionary history through the prism of those who ruled it Exploring the persona formative socialization psychology and professional experiences of each leader Shambaugh shows how their differing leadership styles and tactics of rule shaped China domestically and internationally Mao was a populist tyrant Deng a pragmatic Leninist Jiang a bureaucratic politician Hu a technocratic apparatchik and Xi a modern emperor Covering the full scope of these leaders personalities and power this is an illuminating guide to China's modern history and understanding how China has become the superpower of today Also available as an audiobook **The Encyclopedia of Political Revolutions** Jack A. Goldstone, 2015-04-29 The Encyclopedia of Political Revolutions is an important reference work that describes revolutionary events that have affected and often changed the course of history Suitable for students and interested lay readers yet authoritative enough for scholars its 200 articles by leading scholars from around the world provide quick answers to specific questions as well as in depth treatment of events and trends accompanying revolutions Includes descriptions of specific revolutions important revolutionary figures and major revolutionary themes such as communism and socialism ideology and nationalism Illustrative material consists of photographs detailed maps and a timeline of revolutions
