

# Planning your digital detox

## Get inspired

Thinking of a digital detox is scary by itself. That's why it is essential to find the positive side of it.

## Choose the right time

The best period may be the following weekend or vacation, depending on how long you plan it to be.

## Choose the limitations

The forms of digital detox differ by the limitations you impose on yourself.

## Choose the duration

A two-day detox suffices to reload yourself. 21 days are enough to generate a helpful habit.

## Let people know

If others may be affected by your digital detox, you should let them know beforehand.

## Plan your activities

Everyone needs something to fill the gaps. And this "something" should be pleasant.
