

A dramatic, high-contrast image. A massive, dark, textured alien head with large, bulbous eyes and a wide, toothy grin looms over a man in a field. The man, with a shocked and screaming expression, has his hands over his mouth. The scene is set in a rural area with a fence and trees in the background.

The Magazine of Fantasy and Science Fiction Anthony Boucher, J. Francis McComas, 1980 Encyclopedia of Television Horace Newcomb, 2014-02-03 The Encyclopedia of Television second edition is the first major reference work to provide description history analysis and information on more than 1100 subjects related to television in its international context For a full list of entries contributors and more visit the Encyclopedia of Television 2nd edition website Young Adult Science Fiction Charles William Sullivan, 1999-03-30 At the close of the nineteenth century American youths developed a growing interest in electricity and its applications machines and gadgetry When authors and publishers recognized the extent of this interest in technology they sought to create reading materials that would meet this market need The result was science fiction written especially for young adults While critics

tended to neglect young adult science fiction for decades they gradually came to recognize its practical and cultural value Science fiction inspired many young adults to study science and engineering and helped foster technological innovation At the same time these works also explored cultural and social concerns more commonly associated with serious literature Nor was young adult science fiction a peculiarly American phenomenon authors in other countries likewise wrote science fiction for young adult readers This book examines young adult science fiction in the U S and several other countries and explores issues central to the genre The first part of the book treats the larger contexts of young adult science fiction and includes chapters on its history and development Included are discussions of science fiction for young adults in the U S and in Canada Great Britain Germany and Australia These chapters are written by expert contributors and chart the history of young adult science fiction from the nineteenth century to the present The second section of the book considers topics of special interest to young adult science fiction Some of the chapters look at particular forms and expressions of science fiction such as films and comic books Others treat particular topics such as the portrayal of women in Robert Heinlein s works and representations of war in young adult science fiction Yet another chapter studies the young adult science fiction novel as a coming of age story and thus helps distinguish the genre from science fiction written for adult readers All chapters reflect current research and the volume concludes with extensive bibliographies

**The Road to Science Fiction: From Here to Forever** James Gunn,2003 Volume 4 From Here to Forever covers the period from 1950 1992 illustrating how science fiction can be as concerned with language and character as much as traditional fiction and anything in the mainstream Includes stories by Jorge Luis Borges Richard Matheson C M Kornbl

**Science Fiction, Fantasy, and Horror Reference** ,1989 The first book devoted exclusively to listing and evaluating reference books in these genres this bibliography covering about 300 titles will help librarians collectors researchers and others determine what books might be of interest or use to them or their library s patrons Each book description includes names of contributors a list of essays or articles where applicable subject matter emphasis and original publication date Appendices offer listings and evaluations of critical and bibliographical book series and a suggested core collection checklist There are three indexes by subject by title and by author compiler or major contributor
