In *Mindfulness Meditation for Everyday Life* Jon Kabat-Zinn maps out a simple path for cultivating mindfulness in our lives and awakening us to the unique beauty and possibilities of each present moment. He shows us how this simple meditation technique can enable us to be truly in touch with where we already are so that we can be fully aware at all times.

Today millions of people have taken up a formal mindfulness meditation practice as part of their everyday lives. But how do you actually go about meditating? What does a formal meditation practice look like? And how can we overcome some of the common obstacles to incorporating meditation into daily life in an age of perpetual self-distraction? *Falling Awake* directly answers these urgent and timely questions. Originally published in 2005 as part of a larger book titled *Coming to Our Senses*, it has been updated with a new foreword by the author and is even more relevant today.
