Paranormal Romance Series Global Trend:

Paranormal Media Annette Hill, 2010-11-05 Paranormal Media offers a unique timely exploration of the extraordinary unexplained and supernatural in popular culture looking in unusual places in order to understand this phenomenon

Booklist's 1000 Best Young Adult Books since 2000 Gillian Engberg, Ian Chipman, 2014-05-15 With the explosion in YA publishing it's harder than ever to separate good books from the rest. Booklist magazine's editors' deep and broad knowledge of the landscape offers indispensable guidance and here they bring together the very best of the best books for young adults published since the start of the 21st century. Drawing on the careful judgment of expert YA librarians, this book includes a foreword by best-selling YA lit authority Michael Cart who demonstrates how we have entered a new golden age of books for young adults. Collects reviews which showcase the most stimulating contemporary YA titles. Features an essay in each section grouped by genre presenting an overview and examining relevant trends. Indexes selections by author, title, and genre for handy reference. The thoughtful professional review coverage for which ALA's Booklist is known makes this volume an ideal tool for YA readers' advisory and collection development.

Gender Warriors U. Melissa Anyiwo, Amanda Hobson, 2019-01-14 Gender Warriors: Reading Contemporary Urban Fantasy offers classroom-ready original essays outlining contemporary debates about sexual objectification and gender norms in urban fantasy and examining how those cultural categories are reinforced and unraveled. The essays explore the foundations and evolutions of urban fantasy and presentations of gendered identities in a wide variety of sources, focusing not only on popular examples such as Buffy the Vampire Slayer and Underworld but also on less-studied works, for instance Penny Dreadful and Anita Blake. The authors address the sociocultural institutions that bind gender to the body and shape our views of gendered norms, inviting students of all experience levels to engage in interdisciplinary conversations about both theoretical and embodied constructions of gender and the production of genre and generic conventions. The text unpacks cultural norms of gender and addresses issues of identity construction within an endlessly evolving genre. This collection demonstrates the way that representations of gender and the kick-ass female urban fantasy warrior have upended and reinforced a broad range of expectations and tropes, making it a fascinating text for any course such as first-year studies, literature, film, gender studies, sociology, cultural studies, history, and more.

Race in the Vampire Narrative, 2015-01-01 Race in the Vampire Narrative unpacks the vampire through a collection of classroom-ready original essays that explicitly connect this archetypal outsider to studies in race, ethnicity, and identity. Through essays about the first recorded vampire craze, television shows True Blood and Being Human, movies like Blade, Trinity, and Underworld, to the presentation of vampires of colour in romance novels, graphic novels, on stage, and beyond, this text will open doorways to discussions about Otherness in any setting, serving as an alternative way to explore marginality through a framework that welcomes all students into the conversation. Vampires began as terrors, nightmares, the most horrifying of creatures; now they are sparkly antiheroes, more likely to kill your dog than drink you to

death commodified absorbed and defanged Race in the Vampire Narrative demonstrates that the vampire serves as a core metaphor for the constructions of race and the ways in which we identify manufacture and commodify marginalized groups By drawing together disparate discussions of non white vampires in popular culture the collection illustrates the ways in which vampires can be used to explicitly help students understand ethnicity in the modern world making this the perfect companion text to any course from First Year Studies Sociology History Cultural Studies Women s Studies Criminal Justice and so much more

The Paranormal Kenneth Partridge,2009 Surveys various supernatural phenomena from ghosts and extra sensory perception ESP to UFOs and cryptozoology examining whether they have any scientific validity and why people find them so fascinating Chapter headings include Why We Believe America s Haunted Army Is There Anybody Out There and The Myth Hunters

The Encyclopedia of the Gothic, 2 Volume Set William Hughes,David Punter,Andrew Smith,2015-12-21 THE ENCYCLOPEDIA OF THE GOTHIC Well written and interesting it is a testament to the breadth and depth of knowledge about its central subject among the more than 130 contributing writers and also among the three editors each of whom is a significant figure in the field of gothic studies A reference work that s firmly rooted in and actively devoted to expressing the current state of academic scholarship about its area New York Journal of Books A substantial achievement Reference Reviews Comprehensive and wide ranging The Encyclopedia of the Gothic brings together over 200 newly commissioned essays by leading scholars writing on all aspects of the Gothic as it is currently taught and researched along with challenging insights into the development of the genre and its impact on contemporary culture The A Z entries provide comprehensive coverage of relevant authors national traditions critical developments and notable texts that continue to define shape and inform the genre The volume s approach is truly interdisciplinary with essays by specialist international contributors whose expertise extends beyond Gothic literature to film music drama art and architecture From Angels and American Gothic to Wilde and Witchcraft The Encyclopedia of the Gothic is the definitive reference guide to all aspects of this strange and wondrous genre The Wiley Blackwell Encyclopedia of Literature is a comprehensive scholarly authoritative and critical overview of literature and theory comprising individual titles covering key literary genres periods and sub disciplines Available both in print and online this groundbreaking resource provides students teachers and researchers with cutting edge scholarship in literature and literary studies
