Masculinities in Post-Millennial Popular Romance Eirini Arvanitaki, 2022-05-12 This book focuses on the projection of the hero s masculinity in a selection of post millennial popular romance narratives and attempts to discover if and to what extent this projection reinforces or challenges patriarchal ideas about gender In the majority of these narratives the hero is often presented as a hegemonic alpha male However hegemonic masculinity is not a fixed concept Rather it is subject to continuous change which allows for the emergence of various dominant masculinities Under a poststructuralist lens and through a close textual analysis approach and a gender reading of romance narratives the book suggests that to a certain extent the romance hero could be described as a platform onto which different forms of dominant masculinity are displayed and highlights that these masculinities do not necessarily clash depend on or function as a prerequisite for each other
