Cabinets Compared Vol Administration Characters:

Comparing Devolved Governance D. Birrell, 2012-03-29 Examines recent evidence of a growing symmetry in the operation of devolution in Scotland Wales and Northern Ireland This book makes one of the first systematic and detailed comparisons of the operation of the devolved institutions and machinery of governance It uses a comparative approach to explore the key workings of government *The Changing Character of the American Right, Volume II* Joel D. Aberbach, Bruce E. Cain, Desmond King, Gillian Peele, 2025-04-30 These volumes analyze the transformation of the American right in recent years While the roots of that transformation can be traced back to the 1970s the last decade has seen further radical revisions of its ideology style and policies The contributors argue that both the organized Republican Party and the wider American right have changed profoundly especially since the Trump presidency of 2017 2021 reflecting long and short term alterations to the political dynamics of the United States These changes have major consequences for the country s governance for its social cohesion and for its constitutional order Focusing on a range of topics including values and beliefs partisanship and voting behaviour race religion and violence as well as on institutions and policies these volumes brings together a distinguished team of scholars at a challenging time for the future of American democracy **Catalogue of Printed Books** British Museum, 1885 Reminiscences of Sixty Years in Public Affairs George Sewall Boutwell, 1902
