Working with Emotional Intelligence Daniel Goleman, 1998 Daniel Goleman's bestselling *Emotional Intelligence* revolutionized the way we think about personal excellence Now he brings his insight into the workplace in a book sure to change the shape of business for decades to come In *Working with Emotional Intelligence* Goleman reveals the skills that distinguish star performers in every field from entry level jobs to top executive positions He shows that the single most important factor is not IQ advanced degrees or technical expertise but the quality Goleman calls emotional intelligence Self awareness self confidence and self control commitment and integrity the ability to communicate and influence to initiate and accept change these competencies are at a premium in today's job market The higher up the leadership ladder you go the more vital these skills become often influencing who is hired or fired passed over or promoted As Goleman shows we all possess the potential to improve our emotional intelligence at any stage in our career He provides guidelines for cultivating these capabilities and also explains why corporate training must change if it is to be effective

Emotional Intelligence Daniel Goleman, 2005-09-27 1 BESTSELLER The groundbreaking book that redefines what it means to be smart with a new introduction by the author A thoughtfully written persuasive account explaining emotional intelligence and why it can be crucial USA Today Everyone knows that high IQ is no guarantee of success happiness or virtue

but until Emotional Intelligence we could only guess why Daniel Goleman's brilliant report from the frontiers of psychology and neuroscience offers startling new insight into our two minds the rational and the emotional and how they together shape our destiny But why is emotional intelligence important Drawing on groundbreaking brain and behavioral research Goleman shows the factors at work when people of high IQ flounder and those of modest IQ do surprisingly well These factors which include self awareness self discipline and empathy add up to a different way of being smart and they aren't fixed at birth Although shaped by childhood experiences emotional intelligence can be nurtured and strengthened throughout our adulthood with immediate benefits to our health our relationships and our work The twenty fifth anniversary edition of Emotional Intelligence could not come at a better time we spend so much of our time online more and more jobs are becoming automated and digitized and our children are picking up new technology faster than we ever imagined With a new introduction from the author the twenty fifth anniversary edition prepares readers now more than ever to reach their fullest potential and stand out from the pack with the help of EI
