Lily White, 2020-07-05 Words are funny things Their meaning the pictures they paint in the minds of those that hear them They're not always the same and to me at least that makes them meaningless Take for instance the phrase black widow Those words conjure the image of a spider However instead of speaking of an arachnid the people who whisper them are talking about something much different They're talking about me From what I'm told no man I've ever loved has survived Yet I have no memory of any of it My new home leads me to the definition of another vague and meaningless word But the definition for the word is wrong Especially when you're made silent by drugs and pretty white jackets My name is Alexandra Sutton and this is the story of what
