*The Emerald Handbook of Modern Information Management* James M. Matarazzo, Toby Pearlstein, 2017-12-19 This handbook aims to be an integral text for students of library and information science and a ready reference for information professional practitioners. The chapters provide a construct through which any information professional may learn about the major challenges facing them in the early part of the 21st century. *Capture Management* Gregory A. Garrett, Reginald J. Kipke, 2005-03-01 The Capture Management Life Cycle provides a comprehensive step by step approach to help individuals and companies win more business. The philosophy behind the Capture Management Life Cycle is that business is won with mutually beneficial offers that meet a customer's objectives as well as the seller's requirements for profitability. The three phase Capture Management Life Cycle model is presented with inputs tools and techniques outputs case studies and forms templates to assist business professionals in selling products services or solutions. The Capture Management Life Cycle consists of three phases ten stages and more than 35 key actions for winning more business.
