**5000 Years of Popular Culture** Fred E. H. Schroeder,1980 This collection of insightful essays by outstanding artists anthropologists historians classicists and humanists was developed to broaden the study of popular culture and to provide instances of original and innovative interdisciplinary approaches Its first purpose is to broaden the study of popular culture which is too often regarded in the academic world as the entertainment and leisure time activities of the 20th century Second the collection gives recognition to the fact that a number of disciplines have been investigating popular phenomena on different fronts and it is designed to bring examples of these disciplines together under the common

rubric of popular culture Related to this is a third purpose of providing instances of original and innovative interdisciplinary approaches Last the collection should be a worthwhile contribution to the component disciplines as well as to the study of popular culture Demon's Mark: a Dark Monster Romance Nora Ash,2019-10-25 From bestselling Monster Romance

Author Nora Ash comes this spicy Demon Romance filled with primal love and a darkly possessive anti hero He is everything she fears She is everything he needs On the run from the demon hell bent on possessing her Selma Lehmann finds herself in the hands of a far more dangerous enemy Lord Protector Kain is ruthlessly handsome brutally savage and exactly the fate she s feared since the day she learned what kind of creatures hunt her from the shadows They call her a Breeder and there s only one thing a demon Lord could want from her But if she s ever going to reclaim her freedom she will have to trust the monster who swears to protect her from his own kind Kain never wanted a mate only pain awaits a demon foolish enough to give his heart to a human When tantalizing Selma lands in his lap he knows his duty is to put her to auction and return his focus to the war threatening to bring his entire race to its knees Yet every instinct in his body roars to make her his and he ll have to choose His heart or her soul Demon s Mark is the spicy first novel in the dark monster romance series of the same name complete with a HFN HEA but make sure you read the prequel BRANDED to get Selma s full story For fans of Katee Robert Opal Reyne or C M Nascosta this is a very spicy demon romance with some dark themes The first ten chapters of this book includes the prequel Branded Please note this book has previously been released as a 6 part serial under the same name

The Bible and Science Vincent Smiles,2011-06-01 Confusing paradox surrounds the Bible Some look to it as the definition of reality and deny science others see science alone as the arbiter of truth and deny the Bible Both extremes are merely symptoms of a still wider debate on the place of ancient spiritual wisdom in a science dominated world Following the Reformation and Enlightenment the Western world gained great power but lost its spiritual bearings This book draws on numerous sources ancient and modern to examine what the missteps were that have brought us to a point of such confusion and in doing so argues cogently against the modern philosophy of scientific materialism With the aid of biblical stories and imagery it suggests how we might find our way back to balance where ancient wisdom and modern science can together shed light on humans and their encompassing reality Vincent Smiles is professor of theology at Saint John s University Collegeville Minnesota
