*Ground Rules for Good Research* Martyn Denscombe, 2002 This work provides a user friendly starting point for people doing small scale social research projects It identifies the key ideas and practices that underlie good research and provides clear guidelines to help newcomers and experienced researchers alike to design and conduct projects which meet the basic criteria for success It is written for undergraduate postgraduate and professional students in business studies social sciences health studies media studies and education who need to undertake research projects as part of their studies It will also prove invaluable for professionals with little experience of research **The Complete Guide to Referencing and Avoiding Plagiarism** Colin Neville, 2016-04-16 Excellent piece of knowledge packed into a book I love it and would recommend it to friends and family intending to engage in research 5 Star Amazon Review 2013 Why is accurate referencing important How

do I reference print and digital sources correctly What must I do to avoid plagiarism in my written work How can I use referencing to assert my own ideas The Complete Guide to Referencing and Avoiding Plagiarism Third Edition demystifies the referencing process and provides essential guidance on how to avoid plagiarism when writing for university It provides clear guidelines on why and when to reference as well as how to correctly cite from a huge range of sources The book explains what is considered good referencing practice and ensures you have a watertight understanding of what plagiarism is and isn't and how to avoid it in your written assignments Thoroughly updated throughout this new edition has also been carefully restructured to make it easier to find the precise solutions to all your referencing dilemmas It offers Practical examples of writing and referencing in action how to ensure you are citing correctly and critically to meet your lecturers requirements Referencing advice for all students new to higher education and particularly international students studying in the UK for the first time A new chapter with clear instructions for correctly referencing online material A chapter of worked examples referencing over 30 different types of sources plus answers to Frequently Asked Questions and quizzes to ensure you get your references right every time Tried and trusted by thousands of Higher Education students The Complete Guide to Referencing and Avoiding Plagiarism 3e is an essential book for anyone engaged in academic writing *Preach the Word* Myles MacBean, 2019-11-11 How should we help equip the church leaders of Africa today There remains a well documented lack of theologically sound Bible centric preaching in Sub Saharan Africa The majority of sermons are preached by untrained or undertrained church leaders Following a practical theology praxis this book develops a conceptual framework for the evaluation of existing alternative approaches to grassroots preacher training It also proposes broad principles for effective preacher training and offers a practical solution The 20th century had seen the Christian church in Africa grow 36 fold to 360 million This amazing growth is arguably the largest religious change in human history in such a short period It has shifted the focus of Christianity from North to South This rapid growth is debatably considered by some missiologists and theologians to have resulted in an African church a mile wide and an inch deep That is a church of great size but lacking in spiritual depth The rapid growth has led to insufficient numbers of trained leaders being available to oversee their congregations Most leaders are unpaid Untrained or undertrained leaders have an inadequate knowledge of scripture and lack understanding of its interpretation They also lack the skills they need to communicate its truths Even so they preach up to 90% of the sermons in rural Africa Despite a tremendous hunger for training among many of those preachers traditional college based theological education cannot keep up with the demand for trained pastors and preachers in an affordable or culturally appropriate manner The Impact of Watching Violent Television Programs on Secondary School Children in Tanzania Watson Lupogo Masiba, 2016-06-14 Violent television programs are highly preferred by children They stimulate their emotions and increase curiosity about violence related issues This means that watching violent television programs has an impact upon their way of perceiving the world around them and acting in response to it This study investigated the

impacts of watching violent television programs on secondary school children in Tanzania The specific objectives were to examine children s accessibility to the TV ascertain the types of violent TV programs and the time children spend watching them determine the ways in which watching violent TV programs affects their academic performance find out the impact of watching violent TV programs on their discipline and examine the role of parents in addressing the impacts of watching violent TV programs upon their children Results indicate that most secondary school children watch violent TV programs at home in the sitting rooms They spend an average of three hours per day on weekdays and seven and half hours on weekends watching movies music drama and informational programs that were identified as the most violent ones Obviously spending lots of time watching violent TV programs decreases children s academic performance and discipline This book is important because it discusses the parents role in discouraging and limiting children from watching violent TV programs and choosing appropriate TV programs for them *The Holy Spirit in African Christianity* Chigor Chike,2015-04-01 This book is a study of what African Christians living in Britain believe about the Holy Spirit
