ghosts psychics time travel etc it takes some doing on Lance's part to convince her to believe his story and go back with him. When she does the lies, deceit, and attempts on her life start all over again. Will she escape emotionally and physically unscathed? *The Other Side Of the Mirror* is a steamy paranormal romance mystery thriller and book one of the Esmerelda Sleuth series. What Reader's Favorite says about it: Juan Lynch 5 Stars I enjoyed reading *The Other Side of the Mirror*. The story is well paced. All the characters were fully fleshed out and I connected emotionally with even the minor characters such as servants in Lance's household. I especially bonded with Esmerelda. This helped me appreciate the various plot twists that played with her emotions. Eileen Sheehan includes various thought-provoking themes. For example, family rivalry, romantic soul ties, and paranormal activities are all touched on. I love that Esmerelda grows as a person as she wrestles with these themes. Since this is the first entry in a four-book series, I am looking forward to continuing her story in the next books. Readers should note that this book is for a mature audience as there are detailed accounts of sexual encounters. Antoinette Wessels 5 Stars On the first page, Eileen Sheehan explains that her aim is not historical accuracy but entertainment. She has successfully achieved her goal with *The Other Side of the Mirror*. Eileen had my attention from page one. And of course, this novel ended on a cliffhanger, making sure I can hardly wait for book 2. You will read this book within days as it is impossible to put down. I loved the cover; it helped me have a clear picture of what Esmerelda looked like and the vivid descriptions of all the other characters also helped. The characters are a colorful bunch and keep the story alive. As with all good romance novels, there is a love triangle to keep things interesting. You will enjoy this story if you love historical romances with a pinch of magic. I know I will be reading book 2. Eileen Sheehan, please don't stop entertaining us.

**My Kind of Monster** Lilith Roman, 1900 I wanted to give in to the hunger. Niklas Bergman stalked in the shadows of the silent woods, a depraved hunter and I am his prey. I traded one captor that broke my body and soul for one that threatens to break not only my heart but the walls that contain the darkness that lives inside of me. He is a beautiful monster, everything I searched for before my capture, the only one that understands my secrets and I fear my heart and mind will not survive him. I am a monster. I am a monster. I was a monster. Suki Knoxx hides a legacy of blood and I will drown her in it myself if that's what she needs to embrace it. I wanted to use her, no limits, consequences or remorse but when I set my eyes on her, broken and abused, her enemy became mine. Now I can't let her go, not until I break her open. Her darkness calls to mine, her demons dance on heathen songs sung by my own and sometimes prey wants to be prey. Souls break open, limits are crossed, secrets are unleashed. A monster is born.
