ATD's Action Guide to Talent Development Elaine Biech, 2018-09-28 Get Started Now Take Action

Staying ahead of change in the world your organization and your profession requires action You learned a lot to launch your organization's talent development effort As you position it for the future what you need to know grows exponentially As futurist Ray Kurzweil once said If I take 30 steps linearly I get to 30 If I take 30 steps exponentially I get to a billion How do you prepare for exponential growth In ATD's Action Guide to Talent Development A Practical Approach to Building Organizational Success industry expert and bestselling author Elaine Biech lays out the steps you can take The companion volume to ATD's Foundations of Talent Development Launching Leveraging and Leading Your Organization's TD Effort this book follows an eight step framework for defining your organization's learning foundation through preparing for the future You are your organization's trusted advisor and Biech offers practical questions organizational assessments and tips for each step you must guide your organization through She also presents the newest thinking from university educators and researchers that organizational experts have relied on for years as well as from industry practitioners and luminaries in leadership and development Open this book to any page Jump in where you think it will be most beneficial to you or your organization Whether you work inside a company or as an external consultant whether you work for a large organization or a small one whether you are launching your first talent development effort or fine tuning a function that's been in action for decades you are sure to find valuable concepts designs and ideas Get started now Take action

New Supervisor Training Elaine Biech, 2015-07-01 Prepare and establish new front line leaders with training that develops essential supervisory skills Investing in new supervisors increases productivity and organizational profitability and it results in engaged high performing teams Yet many new supervisors the very people responsible for planning and organizing work in every organization are often undertrained in the skills required to be a successful front line leader In New Supervisor Training training legend Elaine Biech presents innovative two day one day and half day training workshops that help supervisors embrace their new roles and develop supervisory skills in five key areas promoting communication guiding the work leading the workforce coaching employee performance and developing themselves Free tools and customization options The free ready to use resources PDF that accompany this book include downloadable presentation materials agendas handouts assessments and tools All workshop program materials including MS Office PowerPoint presentations and MS Word handouts may be customized for an additional licensing fee Browse the licensing options in the Custom Material License pricing menu About the Series The ATD Workshop Series is written for trainers by trainers because no one knows workshops as well as the practitioners who have done it all Each publication weaves in today's technology and accessibility considerations and provides a wealth of new content that can be used to create a training experience like no other Other books in the series

include Communication Skills Training Leadership Training and Coaching Training **The Art and Science of Training**

Elaine Biech,2016-12-01 There are more similarities than differences between how artists and scientists work Both ask countless questions Both search in earnest for answers Both are dedicated to reaching the best results Not so different from today s trainers are they Elaine Biech one of the most highly regarded names in talent development has set out to identify the perfect blend of content mastery and audience insight The result is this highly informative book The Art and Science of Training presents the science for learning and development but it also emphasizes that training success lies in knowing what to do when things don t go as planned Discover how top facilitators always put learners first even when faced with exceptions to the rule the unwilling learner the uninformed supervisor the inappropriate delivery medium or the unmanageable performance challenge And learn why you must understand people not only content to ensure consistently exceptional learning experiences Science is both a body of knowledge and a process Art is the expression of creativity and imagination Where they intersect is the best way to help others learn and grow *Active Training* Melvin L. Silberman,Elaine

Biech,2015-05-04 The all time bestselling training handbook updated for new technologies and roles Active Training turns instructional design on its head by shifting the emphasis away from the instructor and on to the learner Comprehensively updated to reflect the many developments in the field this new fourth edition covers the latest technologies and applications the evolving role of the trainer and how new business realities impact training advancing new evidence based best practices for new trainer tasks skills and knowledge Up to date theory and research inform the practical tips and techniques that fully engage learners and help them get the most out of sessions while updated workplace examples and revised templates and worksheets help bring these techniques into the classroom quickly You ll gain insight into improving training evaluation by using Return on Expectations ROE learn how to extend the value of training programs through transfer of learning and develop fresh engaging methods that incorporate state of the art applications Active Training designs offer just the right amount of content the right balance of affective behavioral and cognitive learning a variety of approaches real life problem solving gradual skill building and engaging delivery that uses the participants expertise as a foundation for learning This book is the classic guide to employing Active Training methods effectively and appropriately for almost any topic Learn how the trainer s role has changed Engage learners through any training delivery method Inspire collaboration and innovation through application Overcome the challenges trainers face in the new business environment Active Training methods make training sessions fun engaging relevant and most importantly effective Participants become enthusiastic about the material and view sessions as interesting challenges rather than as means to fulfill requirements To bring these widely endorsed methods into your training repertoire Active Training is the complete practical handbook you need **ATD's Foundations**

of Talent Development Elaine Biech,2018-09-28 Your Talent Development Atlas If you ve been directing your organization s talent development effort during the last few years you might think you re on a journey without a map There are few

published resources to guide you in a challenge that many experts promise will only become more urgent and necessary in the coming years Elaine Biech a legendary leader in training and development understands the road ahead and has partnered with ATD to present a new book that will point the way ATD's Foundations of Talent Development Launching Leveraging and Leading Your Organization's TD Effort Biech imbues this comprehensive volume with the energy and passion she has manifested in a career spanning more than three decades In her hands you have a trusted adviser who provides guidance leadership and direction to your organization Biech painstakingly guides you over 36 chapters taking you from developing your talent development strategy creating an operating plan and reinforcing your organization's talent development mindset through design and delivery measurement and evaluation and preparing for the future No matter where you are in your development you will be able to pick up this book and select chapters that describe how you can help your organization What's more Biech has included a new customized model to assist you Plus she's invited dozens of her friends and colleagues to contribute well known authors ATD subject matter experts and icons in the field to present a cross section of voices and approaches in the field In 2018 ATD celebrates its 75th anniversary by delivering ATD's Foundations of Talent Development its first published reference to the profession it leads and supports Think of this book as your professional atlas
