*Pierre Koenig* Neil Jackson, 2019-02-05 A heavily illustrated and highly designed tribute to Los Angeles architect Pierre Koenig a key figure of the Los Angeles Modernist movement In this remarkable and gorgeously illustrated book Neil Jackson presents a vibrant profile of the Los Angeles architect Pierre Koenig who Time magazine said lived long enough to become cool twice From the influences of Koenig's youth in San Francisco and his military service during World War II to the Case Study Houses and his later award laden years Jackson's study plots the evolution of Koenig's oeuvre against the backdrop of Los Angeles a city that both shaped and was shaped by his architecture The book is anchored by Jackson's exciting discoveries in Koenig's archive at the Getty Research Institute Drawings photographs diaries letters lecture notes building contracts and university projects many of which are published for the first time provide an expanded understanding of Koenig and additional context for his architectural achievements An examination of Koenig's Case Study Houses shows how his often single minded and pragmatic approach to domestic architecture recognized the advantages of production housing and presciently embraced sustainable ecologically responsible design A new account of the Chemehuevi housing project in Havasu Lake California demonstrates the special role that learning and teaching played in the development of his architecture Over his fifty year career Koenig not only designed iconic houses but also directed their restoration and curated their legacy ensuring that his work could be seen and appreciated by present and future admirers of midcentury Los Angeles

**Julie Snow Architects** Julie Snow, Julie Snow Architects, 2005-04-07 It's an unfortunate reality that architects practicing in the great expanse between the East and West coasts all too often find themselves beyond the radar of the profession's so called tastemakers And it's especially a shame in the case of Julie Snow a Minneapolis based architect who has over the past decade developed one of the most inventive practices anywhere in the United States Snow's meticulously constructed work has the structural opacity and formal integrity that characterized Mies van der Rohe's architecture but with a sense of humanity and a sensitivity to the environment that seems borrowed from her Midwestern progenitor Frank Lloyd Wright This the first monograph on Snow's work provides in depth documentation of 14 of her residential institutional corporate and public projects including the Koehler Residence in New Brunswick Canada a series of Minneapolis Light Rail Stations the Minnesota Children's Museum and the University of South Dakota School of Business Julie Snow Architect is produced in collaboration with award winning designer Andrew Blauvelt and features an introductory essay by Jan Abrams director of the Minnesota Design Institute

**The Modern Steel House** Neil Jackson, 2016-03-23 This book provides a comprehensive survey of Modern Movement houses constructed with steel frames Arranged chronologically and thematically it traces the development over the last seventy years of steel houses in Europe Australia and the United States with special reference to London Paris Sydney and Los Angeles and to the work elsewhere of Mies van der Rohe Philip Johnson and Jean Prouve Examples of steel houses from around the world demonstrate that steel structures can provide a better quality of life within a
