Sebastian Book 1: A Vampire's Torment Elizabeth Johnson, 2022-08-31 Sebastian was turned into a vampire on his eighteenth birthday by his mother whom he thought had died ten years earlier He struggled for meaning as a vampire and at first he learned compassion and how to control the savage instincts inside him from his mother And so he lived amongst humans without spilling human blood Two hundred years later his mother is killed and he blamed humans Sebastian became lost to rage and bitterness embracing his darker and more brutal nature After a year of vicious killings of humans to exact vengeance he comes upon the young child of a woman he had just killed Sebastian s bloodlust came to a sudden and unexpected halt as he stands over this child He can t bring himself to hurt the girl he knew

then he had found the seed of his ultimate salvation He named her Hanna after his own mother found her a family to raise her and provided for her anonymously while he went far away to fight his demons However as years went by thoughts of Hanna consumed him He returned seventeen years later to see how she fared but her beauty struck him He planned an accidental meeting which does not go well Sebastian planned to leave her to her life as he believed himself unworthy of her love but before he leaves Hanna once again he learned that vampires and wolves were after her Now it is up to him to secretly guard Hanna s life
