**The Ultimate Guide to Getting The Career You Want** Karen O. Dowd,Sherrie Gong Taguchi,2004 A practical guide to creating a meaningful career path While the desire to find fulfillment through work is overwhelmingly clear knowing what direction to take often remains uncertain With the help of The Ultimate Guide to Getting the Career You Want readers will discover tools concepts and strategies for gaining career building clarity Dr Karen O Dowd and Sherrie Gong Taguchi two experts in the field of career management provide an accessible framework to help readers Overcome current job inertia Understand what makes a job right or wrong for them Include significant others in career decisions Find work that fits within their life vision *The Bookman's Manual* Bessie Graham,1928 **Choosing the Right Career Path** C. Mark Johnson,2008 This book gives you career path pros and

cons based on real life experience You will gain valuable insight saving you time and money This book is meant as a career compass steering you in a direction that is more correctly aligned with your area of aptitude This book is targeted for two groups of people 1 Young adults ages 16 to 25 who are just starting out or exploring career paths 2 Career changers or those contemplating a career change at any age A note of caution before you purchase If you are satisfied with your current career path and are not considering a career change this book is not intended for you I share this in the interest of reader satisfaction Younger readers may find this to be more of an all inclusive guide for their stage of career development Older career changers will get a sense of exploring options of various career path variables rather than an all inclusive manual This book includes a large variety of jobs based on real life experience The inclusion of this wider range is so that you will have insight into jobs or alternative paths you may not have considered before In these tough economic times we often are faced with taking a job temporarily that is truly just a job and not a career Often you will be totally unfamiliar with the job prior to accepting it because you have never considered such a job before Many of these are included so you will gain a perspective on these jobs too and alternative paths to follow during these temporary career detours This is a no holds barred candid look inside career paths and the weighing of risk and reward The career variables of sales entrepreneurship combining jobs and businesses are also discussed here If you want a fresh perspective on your career choices or you are just starting your career this is your book Mr Johnson holds a degree in business management numerous certificates and is a United States Air Force Veteran
