The Complete Collection of Drawings Aleksandr Sergeevich Pushkin, 1999 **Dear Reader** Paul Fournel, 2015-11-03

There is a lot of good to be said about publishing mainly about the food The books though Robert Dubois feels as if he is reading the books but still they keep coming back to him the same old books just by new authors Maybe he is ready to settle into the end of his career like it is a tipsy afternoon after a working lunch But then he is confronted with a gift a piece of technology a gizmo a reader Dear Reader takes a wry affectionate look at the world of publishing books and authors and is a very funny moving story about the passing of the old and the excitement of the new Russia's Legal Fictions Harriet

Murav, 2010-05-18 Legal scholars and literary critics have shown the significance of storytelling not only as part of the courtroom procedure but as part of the very foundation of law Russia's Legal Fictions examines the relationship between law narrative and authority in nineteenth and twentieth century Russia The conflict between the Russian writer and the law is a well known feature of Russian literary life in the past two centuries With one exception the authors discussed in this book Sukhovo Kobylin Akhsharumov Suvorin and Dostoevsky in the nineteenth century and Solzhenitsyn and Siniavskii in the twentieth were all put on trial In Russia's Legal Fictions Harriet Murav starts with the authors own writings about their experience with law and explores the history of these Russian literary trials including censorship libel cases and one case of murder in their specific historical context showing how particular aspects of the culture of the time relate to the case The book explores the specifically Russian literary and political conditions in which writers claim the authority not only as the authors of fiction but as lawgivers in the realm of the real and in which the government turns to the realm of the literary to exercise its power The author uses specific aspects of Russian culture history and literature to consider broader theoretical questions about the relationship between law narrative and authority Murav offers a history of the reception of the jury trial and the development of a professional bar in late Imperial Russia as well as an exploration of theories of criminality sexuality punishment and rehabilitation in Imperial and Soviet Russia This book will be of interest to scholars of law and literature and Russian law history and culture Harriet Murav is Associate Professor of Russian and Comparative Literature University of California at Davis **Pushkin Review** , 1998 Travel Writing, Visual Culture, and Form, 1760-1900 Brian H.
